Hugh Stewart, 2021-06-15 The United States of America and Germany have a rendezvous with destiny to quote President Franklin D Roosevelt It is a rendezvous that will be devastating for America yet neither will it bode well for Germany or the rest of the world The lumbering European Project of 27 nations known as the European Union EU eventually will dwindle to ten willing nations or ten regional groups of nations federally united under the leadership of Germany At last the long cherished dream of many Europeans for a resurgent and dominant Europe on the world stage will become a reality With shades of Christendom from the Middle Ages and free of Anglo Saxon trappings and the moderating influence of the UK the new EU will be an economic and military powerhouse that will serve as a counter balance to the once mighty U S A and the growing China threat from the East The Anglo Saxon dream of a reinvigorated Anglosphere as an alternative to the EU will prove to be an illusion Europe will enjoy a few years of unprecedented prosperity before the Project comes to a crashing halt How to Find America and Germany In the Bible explains why these events will take place It also tells us that the Israelite nations of Bible fame are alive and well under their modern names and that their day of awakening is near

Dr. Justin G. message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **National Message and Banner** ,1929
