Appletons' Library Manual ,1849 Appleton's Library Manual D. Appleton and Co. (New York, N.Y.),1849

MALABAR MANUAL by William Logan , Commentary William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words It might not be possible for a casual reader to imbibe all the minute bits of information from this book However in this commentary of mine I have tried to insert a lot of such bits and pieces of information by directly quoting the lines from Malabar On these quoted lines I have built up a lot of arguments and also added a lot of explanations and interpretations I do think that it is much easy to go through my Commentary than to read the whole of William Logan s book Malabar However the book Malabar contains much more items than what this Commentary can aspire to contain This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent *Classical Manual* ,1827 A Manual of Budhism, in its modern developement; translated from Singhalese MSS. Robert Spence Hardy,1853 TRAVANCORE STATE MANUAL by V Nagam Aiya VED from VICTORIA INSTITUTIONS, TRAVANCORE STATE MANUAL was written in the closing years of the 1800s It is a fascinating book in that the perspective of historical events that took place in the region known as the Indian Peninsula is markedly different from what is being taught in current day schools and colleges There is need to bring this book out in a very readable form That is what has been attempted here VED from VICTORIA INSTITUTIONS has written a commentary which aims to elucidate the various differences in perspective and also tries to focus on varying issues which are nowadays hidden away from public knowledge What ultimately comes out as background of unvarying strength is the fact that the English rule especially that by the English EAST INDIA COMPANY was really of benign qualities towards the common man of this area This book contains the story of an independent kingdom at the southern most end of the South Asian Peninsula which lost its independence in 1947 in the wake of a fool coming to power in England Appleton's Library Manual D. Appleton and Company,1852
