Higher Education Leadership and Governance in the Development of the Creative and Cultural Industries in Kenya

Akuno, Emily, Ondieki, Donald Otoy, 2017-05-05 The role of higher education in establishing structures and procedures in society and industry is clearly articulated in scholarly discussions The narrative has recently taken a new momentum in Kenya with acknowledgement of the creative industry involves many youth as an area that impacts on the economy In unravelling the link between higher education and industry the authors focus on leadership and governance in higher education and its expected and perceived contribution to the shaping of the creative industry Through analysis of cases the authors interrogate the processes and structures that govern the teaching and practice of the creative subjects noting how these affect the creative industry in Kenya This book approaches the creative disciplines from the perspectives of the students lecturers and university administrators The three voices provide a balanced view of what higher creative arts education in Kenya is The multiple authorship of the book further provides a balanced account of the development of these disciplines in higher education and their growth in industry The key concepts here are the development of the creative industry and how higher education should contribute to the same Higher Education Admission Practices

María Elena Oliveri, Cathy Wendler, 2020-01-30 Reveals practices and issues in higher education admissions which are critical factors for improving worldwide access and equity **Equality in Kenya's 2010 Constitution**

Victoria Miyandazi, 2021-02-25 This book makes a significant contribution to the ongoing global conversations on the various understandings of equality It illuminates the many ways in which diverse equality guarantees clash or are interrelated It also sets out principled approaches on how they can be coherently interpreted to address the myriad inequalities in Kenya Taking a comparative approach the book considers how other jurisdictions including the United States United Kingdom Canada South Africa India and Botswana have approached the conceptualisation interpretation and application of various equality concepts The book focuses on important issues such as transformative constitutionalism in relation to the interpretation of Kenya's 2010 Constitution expanding the list of enumerated grounds for non discrimination affirmative action accommodating religious and cultural diversity versus gender equality the interrelation between socio economic rights and status based equality *The Elusive African Renaissance*

George Klay Kieh, Jr., 2018-09-12 Africa faces several major development challenges that have adversely affected the political and material well being of the majority of the people living there This collection of new essays rigorously analyzes those frontier development issues including democracy leadership the economy poverty alleviation through microfinance schemes food security education health and political instability and offers prescriptions that differ from the dominant neoliberal solutions
