Listening for God Paula J. Carlson, Peter S. Hawkins, 1996-03 Each video presents interviews introducing the authors featured in the Listening for God reader **The Story of Narrative Preaching** Mike Graves, 2015-03-02 Forty years ago the one thing that could be said about sermons was they were biblical Unfortunately they were sometimes tedious too Narrative preaching aimed to fix that advocating for a dynamic experience of the text over against a static lecture Preaching could be like the parables of Jesus intriguing and compelling The Story of Narrative Preaching is the story of seven students who are enrolled in Professor Freeman's preaching course Once a new trend narrative preaching is now older than most of them As Professor Freeman notes two things went wrong with narrative styles over time the church became biblically and theologically illiterate and the promised stress on experience didn't always measure up to the weight of the gospel Readers are invited to sit in on the class to reflect on the expositional nature of preaching and to experience the stories of some modern storytellers Flannery O'Connor Alice Walker and others to see what they might teach us about narratives of depth In the end we discover what may be the most important word in preaching **Saved and Sanctified** Deidre Helen Crumley, 2012-04-22 On one level this book tells a very particular story of a church started by a charismatic woman born just 16 years after the Emancipation Proclamation which not only survived the death of the founder but also institutionalised power sharing by female and male elders On another level it tells a more universal human story of institution building establishing community and pursuing a life of faith while negotiating rapidly changing and often adversarial social realities

Living Water , Klara Tammany is a professional Christian educator who goes about her calling with a joyous urgency This book demonstrates her impassioned approach to religious instruction She starts with the premise that ongoing Christian education must be central to a life of faith and then proceeds from the corollary that baptism must be central to all Christian education Eight group sessions focus repeatedly on water first as a natural element necessary to life then as a symbolic element necessary to spirituality Gradually through prayer song scripture silence poetry visual arts storytelling group discussion and personal reflection water as baptismal element gains ascendancy No longer mere occasional refreshment Living Water inundates becomes life's very medium This text makes for excellent catechumenal preparation but is intended for use by all Christians those who are years into their journeys as well as those who are beginning Designed for small groups of adult Episcopalians the program is easily adaptable to other denominations to one on one spiritual mentoring to children young adult or intergenerational groups and even to individuals for private meditation **Books in Print** , 1991 **Voting and Faithfulness** Cafardi, Nicholas P., 2020 Fifteen essays aimed at voters on a variety of topics such as faithful citizenship how Catholics perceive and talk about issues such as war life issues character issues and how our bishops teach Feasting on the Word: Year C, Volume 3 David L. Bartlett, Barbara Brown Taylor, 2010-01-27 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today When complete the

twelve volumes of the series will cover all the Sundays in the three year lectionary cycle along with movable occasions such as Christmas Day Epiphany Holy Week and All Saints Day For each lectionary text preachers will find four brief essays one each on the theological pastoral exegetical and homiletical challenges of the text This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion The editors and contributors to this series are world class scholars pastors and writers representing a variety of denominations and traditions And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its contents
