The Sociolinguistics of Voice in Globalising China Jie Dong, 2016-07-01 This book deploys and develops the notion of voice in an investigation of China's rapidly reshuffling society The book is structured around two aspects of the voicing process in contemporary China 1 stratification of voice which addresses the stabilizing condition of voice and 2 re-stratification of voice that draws attention to

the dynamics of the system of which the order is reshuffling and not yet apparent This structure allows us to unveil the hidden forces played out in the voice making process and to stratifying and re stratifying process of contemporary Chinese society in which some people are making themselves heard whereas others are losing voice Despite its importance and usefulness voice has been under theorized in recent decades The ambitions of this book therefore are to invest serious efforts in developing the notion and to position it in the center of the theoretical toolkits available to students and scholars within and outside sociolinguistics

Afterlives of Chinese Communism Christian Sorace,Ivan Franceschini,Nicholas Loubere,2019-06-25 Seventy years after the Chinese Revolution of 1949 what remains of Mao s communist legacy Afterlives of Chinese Communism comprises essays from over fifty world renowned scholars in the China field from various disciplines and continents It provides an indispensable guide for understanding how the Mao era continues to shape Chinese politics today Each chapter discusses a concept or practice from the Mao period what it attempted to do and what has become of it since The authors respond to the legacy of Maoism from numerous perspectives to consider what lessons Chinese communism can offer today and whether there is a future for the egalitarian politics that it once promised A joint publication between Verso Books and ANU Press

China in the Global South Theodor Tudoroiu,Anna Kuteleva,2022-04-23 This book scrutinizes the frequently ignored agency of Global South sub national actors in their interactions with China using a multidisciplinary approach and eleven case studies Contributors examine China s presence in the Global South on a country by country basis analyzing how various non state and sub state actors are responding to the rise of China and whether they are attracted by the cooperation models that China proposes or deterred by its new assertiveness Contributions cover diverse and heterogeneous geographies of the Global South ranging from Papua New Guinea to Argentina and from Madagascar to the Russian Far East Examining such diverse cases contributors focus on two interrelated questions What is the actual economic political and social impact of China s growing presence in the Global South And critically how do the citizens of the Global South understand and interpret China s rise Taken together the case studies develop a comprehensive picture of a complex and sometimes problematic process of China s inclusion into the economic social and political realities of the Global South This book identifies and fills the gaps in the existing literature on China s rise by offering a nuanced perspective on China s relations with the countries of the Global South that captures such variables as social context intersubjective meanings and identities By focusing China s relations with the Global South it also provides an important addition to the literature on international politics of development and China s role in the transformation of the South South cooperation

communication signal processing image processing big data cloud computing intelligent computing artificial intelligence and sensor network applications This book includes the contributions of national and international scientists researchers and engineers from both academia and the industry The contents of this book will be useful to researchers professionals and students alike *Continental Powers and Naval Development* Brian C. Chao, 2025-10-16 This book examines how continental great powers have attempted to develop and wield strong navies since 1801 Continental Powers and Naval Development argues that a continental great power's ability to build and effectively use a strong navy is greatly affected by two factors a naval force design capable of executing national strategy strategy coherence and the deployment of that navy to places or for purposes that minimize the dominant naval power's threat perception threat diffusion Each factor is deceptively difficult for a continental great power to achieve but through an analysis of four historical case studies this book shows how both factors are vital not just for successful naval development but for keeping the peace among great powers Finally it highlights how states commonly thought of as unnatural naval powers can nonetheless achieve their political objectives at sea This book will be of much interest to students of naval history maritime strategy and International Relations *Words and visions around/about Chinese transnational mobilities* □□ Valentina Pedone, Miriam Castorina, 2023 This collection gathers the contributions of ten scholars on the topic of transnational cultural and physical mobility originating in China These contributions aim to open conversations among Chinese Studies scholars by applying a Mobility Studies perspective Exploring diverse narratives and forms of representation from people of Chinese heritage the book is divided into three parts that each look closely at the relationship between movement and cultural production The first part is dedicated to four types of mobility of people from China to Italy namely tourist mobility Miriam Castorina labor mobility Valentina Pedone student mobility Xu Hao and mobility of social elites Andrea Scibetta The second part is dedicated to examples of reverse mobility from Italy to China Gao Changxu Chiara Lepri Giuseppe Rizzuto The third part focuses on case studies based on mobilities from China to territories other than Italy Rebecca Ehrenwirth Martina Renata Prosperi Giulia Rampolla **The China-Japan Conflict over the Senkaku/Diaoyu Islands** Anna Costa, 2017-09-27 This book examines the foreign and security policies adopted by China and Japan since the 1970s in their competition over the Senkaku Diaoyu Islands in the East China Sea It charts the development of a dispute that has become a potential flashpoint for conflict between the two countries The book explains that while increasing nationalism in both China and Japan helps to fuel and sustain the dispute a key factor is that the leaderships in both countries find competition over the islands to be a convenient vehicle supporting their wider approach to foreign and security policy which is becoming increasingly assertive and potentially belligerent **How the Chinese Economy Works** Rongxing Guo, 2016-12-07 This fourth revised edition sets out to analyze and compare the operational mechanisms of the Chinese economy between the pre and post reform periods and through national regional and local dimensions It examines the driving forces both endogenous and exogenous that have influenced China's

economic development during the past decades Both positive and negative consequences of the Chinese economic transformation have been clarified A multiregional comparison of the Chinese economy is conducted in terms of natural and human resources institutional evolution as well as economic and social performances This enlarged edition includes three new chapters on cultural diversity natural and environmental resources and political and administrative systems Many of the original chapters have also been significantly revised expanded and updated according to more recent research

Transpacific Cartographies Melody Yunzi Li, 2023-12-15 *Transpacific Cartographies* examines how contemporary Chinese diasporic narratives address the existential loss of home for immigrant communities at a time of global precarity and amid rising Sino US tensions Focusing on cultural productions of the Chinese diaspora from the 1990s to the present including novels by the Sinophone writers Yan Geling *The Criminal* Lu Yanshi Shi Yu *New York Lover* Chen Qian *Listen to the Caged Bird Sing* and Rong Rong *Notes of a Couple* as well as by the Anglophone writer Ha Jin *A Free Life* *A Map of Betrayal* selected TV shows *Beijinger in New York* *The Way We Were* and online literature Melody Yunzi Li argues that the characters in these stories create multilayered maps that transcend the territorial boundaries that make finding a home in a foreign land a seemingly impossible task In doing so these maps outline a transpacific landscape that reflects the psycho geography of homemaking for diasporic communities Intersecting with and bridging Sinophone studies Chinese American studies and diaspora studies and drawing on theories of literary cartography *Transpacific Cartographies* demonstrates how these maps offer their readers different paths for finding a sense of home no matter where they are **Understanding the Chinese**

Economies Rongxing Guo, 2012-08-29 China's economic growth has been more robust in some regions than others In a country as large as China examinations of regional differences can provide a viable way to learn about the economy as a whole Rongxing Guo provides a systematic introduction to the economies of China by describing their external and internal drivers and by placing them within geopolitical and even socio cultural boundaries His pairings of case studies and empirical techniques reveal a rich deep appreciation of the growth process and of interactions between key factors This book delves more deeply into issues surrounding the economy than other books offering a unique and important perspective that many will find useful Covering history and administrative structures unique economic features some domestic economic issues and international economic engagement it describes an often inaccessible perspective with nuances all students of China will find valuable Introduces China's regional economies often overlooked in US and European texts within larger contexts of social and geopolitical concerns Explains the reform process since 1978 in a comprehensive non technical and accessible manner Features case studies in each chapter **Нации и этничность в гуманитарных науках. Yip, 2020-04-15 *Chinese Diaspora Charity and the Cantonese Pacific 1850 1949* sheds new light on the history of charity

among Chinese overseas and its place in the history of charity in China and in the wider history of global philanthropy It finds that diaspora charity besides serving traditional functions of helping the sick and destitute and supporting development in China helped to build trust among dispersed hometown networks while challenging color boundaries in host societies by contributing to wider social causes The book shows that charitable activities among the Gold Rush communities of the Pacific rim a loosely integrated migr network from Guangdong Province perhaps better known for its business acumen and hard work among English speaking settler societies in North America and Australasia also led the way with social innovations that helped to shape modern charity in China Fitzgerald and Yip s volume demonstrates that charity lay at the heart of community life among Chinese communities overseas From remittances accompanying letters to contributions to benevolent organizations emigrants transferred funds in many different ways to meet urgent requirements such as disaster relief while also contributing to long term initiatives like building schools or hospitals By drawing attention to diaspora contributions to their host societies the contributors correct a common misunderstanding of the historical Chinese diaspora which is often perceived by host communities as self interested or disengaged This important study also reappraises the value of charitable donations in the maintenance of networks an essential feature of diaspora life across the Cantonese Pacific Fitzgerald and Yip s fascinating collection is a major contribution to the growing study of charity and its relationship to social welfare The essays show how remittances were used for much more than family support The book fills a large gap on the almost unrecognized importance of charity among Cantonese communities in the Chinese diaspora Diana Lary University of British Columbia This collection is a great contribution to our understanding of how important charity became among overseas Chinese in the early stages of the diaspora between 1850 and 1949 Philanthropy was crucial in the creation of trust networks among the diasporic communities that earned Chinese recognition to the overseas communities both in China and in their host countries Sue Fawn Chung University of Nevada Las Vegas

China's Energy Security and Relations With Petrostates Anna Kuteleva, 2021-07-26 This book examines the development of bilateral energy relations between China and the two oil rich countries Kazakhstan and Russia Challenging conventional assumptions about energy politics and China s global quest for oil this book examines the interplay of politics and sociocultural contexts It shows how energy resources become ideas and how these ideas are mobilized in the realm of international relations China s relations with Kazakhstan and Russia are simultaneously enabled and constrained by the discursive politics of oil It is argued that to build collaborative and constructive energy relations with China its partners in Kazakhstan Russia and elsewhere must consider not only the material realities of China s energy industry and the institutional settings of China s energy policy but also the multiple symbolic meanings that energy resources and particularly oil acquire in China China s Energy Security and Relations with Petrostates offers a nuanced understanding of China s bilateral energy relations with Kazakhstan and Russia raising essential questions about the social logic of international energy politics It will appeal to students and scholars of international

relations energy security Chinese and post Soviet studies along with researchers working in the fields of energy policy and environmental sustainability Chinese Communist Espionage Peter Mattis,Matthew Brazil,2019-11-15 This is the first book of its kind to employ hundreds of Chinese sources to explain the history and current state of Chinese Communist intelligence operations It profiles the leaders top spies and important operations in the history of China s espionage organs and links to an extensive online glossary of Chinese language intelligence and security terms Peter Mattis and Matthew Brazil present an unprecedented look into the murky world of Chinese espionage both past and present enabling a better understanding of how pervasive and important its influence is both in China and abroad
