Morrison, 2025-03-27 Though of little

concern to most westerners notions of what is considered clean and unclean pure and impure are of great importance to many cultures Both ritual and moral purity and impurity are significant concerns for Tibetan Buddhists and Buddhists at large being foundational to how they live their everyday lives Steps Towards a Tibetan Understanding of Purity provides a detailed analysis of Tibetan conceptions of purity and purification through a careful examination of salient Tibetan texts across a wide range of genres The practical applications of this study articulate ways to contextualize the good news of Jesus in a Tibetan Buddhist context with an emphasis on the gospel of purification Such an approach provides the reader with renewed impetus to share the gospel in meaningful and relevant ways to a Buddhist audience while also providing additional insights into the worldview of Tibetans

Lunar and Interplanetary Trajectories Robin Biesbroek,2015-12-23 This book provides readers with a clear description of the types of lunar and interplanetary trajectories and how they influence satellite system design The description follows an engineering rather than a mathematical approach and includes many examples of lunar trajectories based on real missions It helps readers gain an understanding of the driving subsystems of interplanetary and lunar satellites The tables and graphs showing features of trajectories make the book easy to understand
