The Grand Strategy of Classical Sparta Paul Anthony Rahe, 2015-01-01 A fresh appreciation of the pivotal role of Spartan strategy and tactics in the defeat of the mightiest empire of the ancient world More than 2500 years ago a confederation of small Greek city states defeated the invading armies of Persia the most powerful empire in the world In this meticulously researched study historian Paul Rahe argues that Sparta was responsible for the initial establishment of the Hellenic defensive coalition and was in fact the most essential player in its ultimate victory Drawing from an impressive range of ancient sources including Herodotus and Plutarch the author veers from the traditional Atheno centric view of the Greco Persian Wars to examine from a Spartan perspective the grand strategy that halted the Persian juggernaut Rahe provides a fascinating detailed picture of life in Sparta circa 480 B C revealing how the Spartans form of government and the regimen to which they subjected themselves instilled within them the pride confidence discipline and discernment necessary to forge an alliance that would stand firm against a great empire driven by religious fervor that held sway over two fifths of the human race

A Dictionary of the Bible, Comprising Its Antiquities, Biography, Geography and Natural History. Edited by W. Smith William Smith, 1863 **Fight the Good Fight: Voices of Faith from the Second World War** John Broom, 2016-06-30 The Second World War challenged many of the concepts that had provided stability and unity in the world As totalitarian regimes in Europe and Asia attempted to impose their world view on their neighbours a struggle for what Winston Churchill described as Christian civilisation took place on many fronts On the

home front on land on sea and in the air as well as in the horrific concentration camps of Europe and prisoner of war camps in the Far East people of a Christian faith found their beliefs challenged However for many this challenge provided an affirmation of that faith as it provided a rock amidst the ever shifting sands of circumstance This book contains the accounts of twenty such individuals many drawn from previously unpublished sources Their testimonies provide evidence that during a time of discord disruption dislocation and death the Christian faith remained a key force in sustaining morale and a willingness to fight the good fight Interesting Facts King George VI called National Days of Prayer during Britains darkest days in 1940 Had Michael Benn survived the war he would have become the 2nd Viscount Stansgate meaning his brother Tony would not have had to fight to renounce his peerage Bill Frankland avoided near certain death at the Alexandra Hospital Massacre by the toss of a coin Stanley Warren only found out about the rediscovery of his Changi Murals during a chance work conversation in the 1950s As a boy Ken Tout was told by his parents to cross the street to avoid walking past the Catholic church As a man he was invited to a private audience with Pope John Paul II
