Super Pro 40 chain saws are identified by a model number (000002) followed by a suffix letter (B, P, or C) stamped on the identification plate attached to the saw. Suffix letters denote variations in parts or assemblies in the manufacture of the saw.

Part numbers listed in this IPL which have a suffix letter or letters following the description, indicate the part is used only on the model identified by the letter or letters.

Part numbers and descriptions without suffix letter or letters apply to all models of the Super Pro 40 saw.

The policy of McCulloch Corporation is one of continual improvement in design, manufacturing and engineering advancement whenever possible to assure still finer two-cycle power tools. Hence, specifications, equipment, colors, design and manufacturer's suggested list prices are subject to change without notice and McCulloch Corporation reserves the right to make such changes without prior notification or obligation to build or supply built components for units previously shipped from the factory.
