Guest Appearances and Other Travels in Time and Space Peter I. Rose, 2003 Annotation As he nears the conventional age of retirement and looks back over his career Rose sociology and anthropology Smith College assembles 35 stories about places he has been things he has done and especially people he has encountered The few that have been published previously have been extensively revised usually shortened More a memoir than a history the collection has no notes or index Annotation c 2003 Book News Inc Portland OR booknews com *With Few Reservations* I Rose Peter I Rose, Peter I. Rose, 2010-03 For those who love to read and love to travel a new book by a modern day Mark Twain Forty eight commentaries by the sociologist photographer and prize winning travel journalist Peter Rose Included are accounts of excursions on land and sea and portraits of places and people from Cape Cod to Cape Horn There are captivating photos stories about playing gumshoe in Honolulu tour guide in Amsterdam and taxonomist in China descriptions of windjamming in Maine and on the Mediterranean trekking in Tuscany exploring Tierra del Fuego aboard the MV Via Australis and Panama by catamaran and many other adventures and intriguing revelations about travel itself Peter Rose offers lively takes on what a travel writer does Eats Shoots and Leaves and vivid descriptions of what it is like to enjoy Austrian Ambiance in the Green Mountains of Vermont and Italian Culture in a Swiss Canton He helps us to understand the reason so many people are Stoop Shouldered in Sanibel and have conversions in the Arizona desert Come along with him on a Northwest Passage across Europe or take a cruise in Liner Luxury Visit many special venues and get behind the scenes in the travel business with a knowledgeable expert Postmonitions of a Peripatetic Professor Peter Rose, 2015-12-05 Postmonitions of a Peripatetic Professor describes the lucky journey of Peter Rose an octogenarian sociologist ethnographer writer teacher and world traveler In the pages of this colorful memoir the author comments on six decades of academic life in the U S and abroad his work as researcher editor and consultant his excursions as a travel journalist and some intimate portraits of those he met along the way With a foreword by the author s former Smith College student playwright and novelist Andrea Hairston the narrative is enriched by occasional extracts from his earlier writings in essays stories reviews poems and books including *They and We* *The Subject is Race* *The Ghetto* and *Beyond Strangers in Their Midst* Americans from Africa Mainstream and Margins Tempest Tost Guest Appearances The Dispossessed and *With Few Reservations* **Mainstream and Margins Revisited** Peter Isaac Rose, 2017-07-12 When his book *Mainstream and Margins* was published in 1983 Peter Rose s writings on American minorities and those who studied them painted a vivid picture of what life was like in America for Jews blacks and other minorities in the United States Now a third of a century later he revisits the topic with sixteen new chapters in addition to seven from the original edition Newer content covers immigration and American refugee policy reexamines the term model minority first used to describe Jews but now applied to Asian Americans and the resurgence of nativism both in regard to new migrants from Latin America and to the growth of Islamophobia since the 9 11 attacks Rose also reassesses

what is still one of the most controversial documents about race and class ever written Daniel Patrick Moynihan's *The Negro Family A Case for National Action* Rose writes about other authors who have addressed many of the principal concerns of this book ranging from novelists Tom Wolfe and Harper Lee to sociologists David Riesman Robin M Williams Jr and William Julius Wilson Historical tensions between Jews and African Americans and debates about liberal vs corporate pluralism seen from the perspective of both whites and non whites are also discussed in this seminal volume by a master on the subject

An Appalachian Farmer's Story Diane Asséo Griliches, 2007 In contrast to the generally negative view of Appalachia as a subculture of hopeless poverty and deprivation this book shows a very different picture Roy Anderson was a resourceful though poor farmer but also a talented cabinetmaker musical instrument maker and lay preacher and at age 80 he tells with modesty the story of his life Roy's words are accompanied by evocative black and white photographs descriptive of his life with his sister on the farm his cabinet shop the community and his church life They give a pictorial dimension to a hard but enterprising life lived with dignity on one of the few remaining small farms in a particular community in southwestern Virginia Roy begins by telling of his earliest memories As these are becoming things of the past we can all learn a great deal about life in Roy's time and place while gaining insight into an inspiring life in a rich American culture most of us would like to know more about

*The Old Devil* Donald McRae, 2009-06-01 Clarence Darrow was one of the most legendary and influential trial lawyers the world has ever seen Famous for his ability to turn seemingly unwinnable cases his way through his oratory and his uncanny skill at reading the mood of a jury he was a man whose work inspired impassioned campaigns against the death penalty as well as lavish Hollywood movies But despite his success he also had a troubled life outside the court and some of his most famous cases came after he himself had been put on trial Now award winning writer Donald McRae revisits the three greatest trials which secured Darrow's near mythic reputation and brings them vividly to life The public themes which Darrow confronted still resonate powerfully today sex and murder religion and science racism the media and the law Written with great intimacy drama and immediacy this is a sweeping story which offers piercing insight into one of the most towering and controversial personalities of the twentieth century

*They and We* Peter I. Rose, 2015-11-17 The first edition of *They and We* appeared shortly after the March on Washington where Martin Luther King Jr gave his memorable *I Have a Dream* speech It was published just before the Voting Rights Act of 1965 was passed by Congress The book read by tens of thousands has been updated and expanded five times each edition maintaining the original intention of the author to provide grounding in the sociological study of inter group relations examining prejudice discrimination minority status and other core concepts in straightforward jargon free prose as well as tracking social economic political and legal developments The new 7th 50th anniversary edition of *They and We* continues the tradition depicting recent demographic changes and persisting patterns such as the leapfrog phenomenon where as in the past many African Americans are left behind as newer groups move in up and over It also covers new developments including the rise of Islamophobia in the wake

of 9 11 An entirely new chapter compares perspectives in the United States with situations overseas particularly with regard to nativist and nationalist movements and the rise of xenophobia in this society and in many others **When the World Closed Its Doors** Ida Piller-Greenspan, Susan M. Branting, 2015-12-03 A memoir of one couple's escape from the Nazis full of ingenuity and determination Michael R Marrus Professor of Holocaust Studies University of Toronto At the beginning of World War II the US and other countries erected a paper wall a bureaucratic maze that prevented all but a small number of Jewish refugees from emigrating from Nazi Occupied Europe When the World Closed Its Doors tells the true story of a young couple who like many European Jews were caught between the Nazis and the paper wall Ida Piller Greenspan was married in Belgium on May 9 1940 That night the Nazis invaded Belgium She and her new husband survived the next four months hitchhiking through occupied territory hiding in barns and tunnels dodging bombs near Dunkirk crossing the Pyrenees on foot and enduring weeks with little food and no money Ultimately they arrived in Portugal certain they would find sanctuary somewhere in the world beyond Europe's borders But their trials were not over It took nine anxious months for them to find a country that would let them in months spent watching in horror as most refugees were forced back to uncertain lives in their home countries Forty years later Ida an accomplished artist created a pictorial diary of their journey Her prints lyrical haunting and compelling are accompanied by a page turning narrative that bears witness to this treacherous and largely forgotten chapter of World War II history **Arrested Adolescence** Erik Rebas, 2023-04-15 Nathan Leopold seemed to live a charmed life a published polyglot college graduate by the time he was 19 and from a prominent wealthy Chicago family So it was a shock to everyone when he and his lover Richard Loeb confessed to killing their 14 year old neighbor Bobby Franks for a thrill During the summer of 1924 the world watched in fascinated horror as the pair were defended by the famous Clarence Darrow in what many labeled the trial of the century There was a massive public outcry when the murderers were spared the death penalty and once they were behind bars most hoped they would never be heard from again 33 years after the murder it seemed that Nathan Leopold was a changed man In prison he ran a high school and library worked as a nurse and helped find a cure for malaria He was deemed rehabilitated and paroled to a tiny town in the mountains of Puerto Rico There he got a degree in social work raised funds to build a hospital and advocated for the abolishment of prisons and capital punishment When he died in 1971 there was an outpouring of support for the gentle reformed killer Yet his life was not what it seemed 100 years after the murder this groundbreaking new biography uses previously unseen archival collections to look at the full life of Nathan Leopold and reveal the motivations behind Bobby's death and the secrets kept hidden from history

Bernardo,2022-05-09 After they are pulled 70 000 light years away from Alpha Quadrant the captain and crew of Star Trek Voyager must travel homeward while exploring new challenges to their relationships views of others and themselves As the first extended critical study dedicated to Star Trek Voyager this book examines how the series uses the physical distance from the crew's home quadrant and the effect this has on the dynamics among community formation self creation and a sense of place Chapters cover topics such as time travel leadership models interspecies relationships the impact of trauma models of self creation and individuality environmental influences on groups and individuals memory nostalgia and how spiritual experiences affect people The holographic Doctor and the former Borg Seven of Nine stand out as complex and boundary stretching figures      **Space, Site, Intervention** Erika Suderburg,2000 From Ferdinand Cheval's Palais Ideal 1879 1905 and Simon Rodia's Watts Towers 1921 1954 to Ant Farm's Cadillac Ranch 1974 and Richard Serra's Tilted Arc 1981 installation art has continually crossed boundaries encompassing sculpture architecture performance and visual art Although unique in its power to transform both the site in which a work is constructed and the viewer's experience of being in a place installation art has not received the critical attention accorded other art forms In Space Site Intervention

some of today's most prominent art critics, curators, and artists view installation art as a diverse, multifaceted, and international art form that challenges institutional assumptions and narrow conceptual frameworks. The contributors discuss installation in relation to the genealogy of modern art, community and corporate space, multimedia, cyberspace, public and private ritual, the gallery and the museum, public and private patronage, and political action. This ambitious volume focuses on issues of class, sexuality, cultural identity, race, and gender and highlights a wide range of artists whose work is often marginalized by mainstream art history and criticism. Together, the essays in *Space Site Intervention* investigate how installation resonates within modern culture and society as well as its ongoing influence on contemporary visual culture.
