

The background of the cover is a dark, almost black, space. It is populated with various microscopic organisms. Numerous blue, thread-like structures, resembling fungal hyphae or bacterial flagella, are scattered across the frame. Interspersed among these are many small, yellowish, rod-shaped bacteria. In the center, there is a large, translucent blue sphere with a textured, almost crystalline surface. Below this sphere, there are some green, cloud-like or smoke-like formations. In the bottom left corner, a portion of a large, solid red sphere is visible. The overall composition is dynamic and scientific, representing the diversity of the microbial world.
