Hate Crimes Confronting Violence Against Lesbians And Gay Men:

Hate Crimes Gregory M. Herek, 1992 Although victimization of lesbians and gay men is not a new problem its severity appears to be increasing After several decades of denial and neglect the problem of anti gay violence has begun to receive some measure of societal recognition and response Not only the lesbian and gay male community *The Construction of Attitudes Toward Lesbians and Gay Men* Tracy Luchetta, Patricia L Pardie, 2013-11-12 Discover new information and perspectives on why today's culture holds prejudice toward gay men and lesbians *The Construction of Attitudes Toward Lesbians and Gay Men* explores the pervasiveness and widespread social acceptance of heterosexism in the United States by analyzing existing social and political systems for their representative beliefs As a scholar or student of psychology sociology women's studies gay lesbian studies or social work who is concerned with the need for positive change in attitudes toward same sex relationships at cultural this book is for you You will learn more about current indicators of heterosexism and homonegativity at multiple levels of representation and better understand the cultural obstacles and openings for attitudinal transformation II In *The Construction of Attitudes Toward Lesbians and Gay Men* empirical research critical social analysis theoretical development and case study applications are used to investigate negative attitudes toward homosexuals Some of the individual social and cultural prejudices that you will examine include HIV AIDS stigma and HIV AIDS knowledge negative legal imagery of homosexuals portrayed by courts such as in the 1996 majority opinion in *Romer v Evans* case the lack of civil rights for homosexuals including laws forbidding homosexual marriage homophobia in academia based on institutional policies for spouse benefits Judeo Christian mythologies stereotypical masculine and feminine images portrayed by the media sociocultural and historical origins of sexism *The Construction of Attitudes Toward Lesbians and Gay Men* is a critical investigation of representations of homonegativism in American culture You will gain a deeper understanding of individual identities and relational behaviors within today's dominant culture through an analysis of collective ideologies institutional policies and more The immense research and knowledge contained in this book provides you with a multifaceted view of current indicators of heterosexism and homonegativity and works to eliminate anti gay lesbian prejudice

Violence and Social Injustice Against Lesbian, Gay, and Bisexual People Lacey Sloan, Nora Gustavsson, 2014-07-16 *Violence and Social Injustice Against Lesbian Gay and Bisexual People* helps you look past the stereotypical picture of violence against sexual minorities the public physical assaults on gay lesbian bisexual and transgendered youth by hypermasculine male thugs and directs you toward the many daily acts of quiet violence that go on unhindered in the workaday settings of our legal social educational and law enforcement institutions You'll learn about the frightening prevalence of complacency homophobic ignorance and apathy that pervades our police departments courts high schools and churches Also armed with this critical insight and statistical research you'll be better equipped to wage a non violent war of fairness and mutual respect against the daily senseless violence of policy and practice that threatens to render gay lesbian

bisexual and transgendered people unwelcome and battered citizens in their own communities You ll find that Violence and Social Injustice Against Lesbian Gay and Bisexual People is ideal for aiding social workers counselors teachers and criminal justice officials in removing the unseen acts of violence from the policies and practices of the public sector These and other specific areas will give you the information and the fortitude necessary to evoke positive change in your community legal issues relating to same sex marriage the connection between social injustice and violence violence against sexual minority youth sexual identity and ethnic minorities practice and policy recommendationsAs this book shows violence against sexual minorities can be subtly woven into the very fabric of some of our most long standing respected social institutions For too long the sexual minorities of color for example and the lesbian who suffers physical assault at the hands of a partner have had little or no help from social workers law enforcement or education for fear of receiving either complete negligence or increased antagonism But now in Violence and Social Injustice Against Lesbian Gay and Bisexual People you ll find the facts and tools necessary for turning the ugliness of communal violence into social justice for people of all sexual orientations
