People Make Love contains nine stories. *Win's Girl* features a single woman who works at an Iowa slaughterhouse and uses the insurance money from a car accident to update the electric system in her dead parents' old house only to be unwittingly embroiled with a shady electrician who ultimately forces her to stand up for herself. *In Home Is Where the Heart Gives Out* and *We Arouse the Grass* a young woman flees after cheating on her husband and winds up at a Nebraska roadside motel populated by participants in a regional dog show who help her decide what to do next. *In Unity Brought Them Together* a young man heads to his favorite New York coffee shop intending to finish the Christmas cards his vacationing fiancée insists on sending but winds up meeting another displaced young midwestern man there and going home with him instead. All these stories explore the question how do we love as well as the answers we find: discard, follow, banish, and cling to in all our humanness and desperation. *How Other People Make Love* asserts that there aren't right and wrong ways to love; there are only our very complicated and contradictory human hearts, minds, bodies, and desires, all searching for something, whether we know what that is or not.  Inman Majors, 2012-08-27 In this fist-bumping, high-fiving, all-out comedic blitz about the sublimely ridiculous world of college football, Southeastern Conference head coach Von Driver will take his motivational magic and his Isosceles Triangle of Success on a Pigskin Cavalcade to the small towns in the state. *Love in the Pandemic* Marc Alain, 2022-11-07 Being bisexual, you never get the sense that you are accepted by either straight or gay people. This is the story of what happens when men or women are caught in the quandary of wondering which one they are. It is also about societal influences: religion, conservatism, family that threaten the fabric of individuality and the parental reigns that force choices that are not acceptable. There is a line that is crossed by society and parents that can destroy a person of either sex who chooses one form of intercourse or another. There is nothing worse than being a social pariah, and this is that story. [Dangerous Love](#) Jennifer Leigh Syvertsen, 2022-11-01 A free, open access ebook is available upon publication. Learn more at www.luminosoa.org. The relationships between female sex workers and their noncommercial male partners are often assumed to be coercive and anchored in risk, dismissed as pimp-prostitute arrangements by researchers and the general public alike. Yet these stereotypes unjustly erase the complexity of lives we imagine to be consumed by social suffering. *Dangerous Love* centers a framework of love to rethink sex workers' intimate relationships as commitments to collective solidarity and survival in contexts of oppression. Combining epidemiological research and ethnographic fieldwork in Tijuana, Mexico, Jennifer Leigh Syvertsen examines how individuals try to find love and meaning in lives marked by structural violence, social marginalization, drug addiction, and HIV/AIDS. Linking the political economy of inequalities along the border with emotional lived experience, this book explores how intimate relationships become dangerous safe havens that fundamentally shape both partners well-being. Through these stories, we are urged to reimagine the socially transformative power of love to carve new pathways to health equity. **As Time Goes By** Abigail Trafford, 2010-05-21 In this inspiring book, best-selling author Abigail Trafford

Life together begins with a strong foundation *God Spells LOVE with an X* Brigitta Hebdon,2024-05-31 Have you ever wanted to peer through a telescope into the lives of others Who hasn t wanted to right In the pages of this book *God Spells Love with an X* no telescope is needed The author Brigitta Hebdon welcomes the reader into her crazy family that is profoundly affected by Fragile X syndrome This is not a parenting book although it s told from a mother s perspective It s not a how to book for righteous living because goodness knows she hasn t figured that out It will not demonstrate exemplary positivity You ll find that the author is human She yells curses and fights She also cries prays seeks forgiveness and keeps going It s not a book about God although he is present in every chapter This is a tale of remarkable love Jared teaches his mom every day how to view the world in unique and hilarious ways The lessons are chronicled in the Facebook posts Brigitta has kept for the last fifteen years since Jared was in elementary school This book is guaranteed to make you laugh cry and

probably get a little mad It s not a story about disability These life lessons are for everyone the most important one being that God is with you regardless of your circumstances Jared s world is beautiful something he has to remind his mom of every day The tapestry of his life is woven in colorful threads of childlike innocence imagination and his keen sense of humor The dark hues are a result of mood and behavior disorders as well as other affectations brought on by his disability But a tapestry without shadows and contrasts is flat and boring The dynamic between Jared and his mom is anything but boring For example Arguing with Jared about whether or not his lunch that I packed sucks Finally he ended the discussion with this Gosh you re being a brat Facebook November 2014 age 13 This book will make you smile and be grateful for your own life s challenges just like the feeling you get when you watch someone pull gum out of their hair You ll laugh at the circumstances all the while being happy it s not you pulling out your own hair However these life lessons will give you tools for your own struggles because we don t always get gum in our hair but eventually we all step on it Cover Design by Rian Elaine
