Safe Space Christina B. Hanhardt, 2013-12-04 Winner 2014 Lambda Literary Award in LGBT Studies Since the 1970s a key goal of lesbian and gay activists has been protection against street violence especially in gay neighborhoods During the same time policymakers and private developers declared the containment of urban violence to be a top priority In this important book Christina B Hanhardt examines how LGBT calls for safe space have been shaped by broader public safety initiatives that have sought solutions in policing and privatization and have had devastating effects along race and class lines Drawing on extensive archival and ethnographic research in New York City and San Francisco Hanhardt traces the entwined histories of LGBT activism urban development and U S policy in relation to poverty and crime over the past fifty years She highlights the formation of a mainstream LGBT movement as well as the very different trajectories followed by radical LGBT and queer grassroots organizations Placing LGBT activism in the context of shifting liberal and neoliberal policies *Safe Space* is a groundbreaking exploration of the contradictory legacies of the LGBT struggle for safety in the city

The Globalization of Hate Jennifer Scheppe, Mark Austin Walters, 2016-05-25 The *Globalization of Hate* Internationalizing Hate Crime is the first book to examine the impact of globalization on our understanding of hate speech and hate crime Bringing together internationally acclaimed scholars with researchers policy makers and practitioners from across the world it critically scrutinises the concept of hate crime as a global phenomenon seeking to examine whether hate crime can or should be conceptualised within an international framework and if so how this might be achieved Beginning with the global dynamics of hate the contributions analyse whether hate crime can be defined globally whether universal principles can be applied to the phenomenon how hatred is spread and how it impacts upon our global society The middle portion of the book moves beyond the broader questions of globalisation to jurisdictional examples of how globalization impacts upon our understanding of and also our responses to hate crime The chapters explore in greater detail what is happening around the world and how the international concepts of hate crime are being operationalised locally drawing out the themes of globalization and internationalization that are relevant to hate crime as evidenced by a number of jurisdictions from Europe the US Asia and Africa The final part of the book concludes with an examination of the different ways in which hate speech and hate crime is being combatted globally International law internet regulation and the use of restorative practices are evaluated as methods of addressing hate based conflict with the discussions drawn from existing frameworks as well as exploring normative standards for future international efforts Taken together these innovative and insightful contributions offer a timely investigation into the effects of hate crime offering an interdisciplinary approach to tackling what is now a global issue It will be of interest to scholars and students of criminology sociology and criminal justice

as well as criminal justice practitioners police officers and policy makers

Opposing Hate Speech Anthony Cortese, 2005-11-30 What happens when two deeply held American values freedom of expression and freedom from discrimination clash In any well established democratic society people have the right to free speech as well as the right to equal treatment and protection under the law But when one person's speech harms another person on the basis of race ethnicity religion gender or sexual orientation it may qualify as hate speech and be subject to restriction Cortese argues that restricting hate speech does not violate the guiding principle behind the First Amendment but he is not eager to see more lawsuits Effective restriction he asserts should not focus on litigation but on speech codes and moral education Is there a limit to freedom of expression in a democracy and if so where should the line be drawn In attempting to answer that question Cortese makes a solid case for paying attention to context and common sense Some hate speech is more reprehensible than others not all discriminatory statements are equally serious There is a discernible difference between an offensive remark and an incitement to commit murder There is also a fundamental distinction between intentional and unintentional discrimination In this book Cortese rethinks some of the issues that have been silenced in ways harmful to many especially those that have been brutalized oppressed manipulated dominated segregated and disadvantaged We should recognize the grave injuries inflicted by hate speech and the potential tensions between legal solutions to those injuries and the First Amendment We must push for moral education educational speech codes and when necessary a formal legal structural response to hate speech in order to reinforce our commitment to tolerance as a value

Handbook on Crime Fiona Brookman, Mike Maguire, Harriet Pierpoint, Trevor Bennett, 2010-02-01 The Handbook on Crime is a comprehensive edited volume that contains analysis and explanation of the nature extent patterns and causes of over 40 different forms of crime in each case drawing attention to key contemporary debates and social and criminal justice responses to them It also challenges many popular and official conceptions of crime This book is one of the few criminological texts that takes as its starting point a range of specific types of criminal activity It addresses not only conventional offences such as shoplifting burglary robbery and vehicle crime but many other forms of criminal behaviour often an amalgamation of different legal offences which attract contemporary media public and policy concern These include crimes committed not only by individuals but by organised criminal groups corporations and governments There are chapters on for example gang violence hate crime elder abuse animal abuse cyber crime identity theft money laundering eco crimes drug trafficking human trafficking genocide and global terrorism Many of these topics receive surprisingly little attention in the criminological literature The Handbook on Crime will be a unique text of lasting value to students researchers academics practitioners policy makers journalists and all others involved in understanding and preventing criminal behaviour

Understanding Disability and Everyday Hate Leah Burch, 2021-11-05 This book examines disability hate crime It focusses on key questions concerning the ways in which hate is understood and experienced within the context of the everyday in addition to the unique ways that hate can hurt and be

resisted It introduces readers to questions surrounding the conceptual framework of hate and policy context in England and Wales and extends these discussions to center upon the experiences of disabled people It presents a conceptual reconsideration of hate crime that connects hate disability and everyday lives and spaces using an affective embodied and emotional understanding of these experiences Drawing on empirical data this framework helps to attend to the diverse ways that disabled people negotiate respond to and resist hate within the context of their everyday lives The book argues that the affective capacity of disabled people can be enhanced through their reflections upon hateful experiences and general experiences of navigating a disabling social world By working with the concept of affective possibility this book offers a more affirmative approach to harnessing the everyday forms of resistance already present within disabled people s lives It speaks to academics students and practitioners interested in disability affect studies hate crime studies sociology and criminology

Proving Discriminatory Violence at the European Court of Human Rights Jasmina Mačkić,2018-07-10 In Proving Discriminatory Violence at the European Court of Human Rights Jasmina Ma ki unveils the evidentiary issues faced by the European Court of Human Rights when dealing with cases of discriminatory violence In that context she evaluates the Court s application of the standard of proof beyond reasonable doubt and aims to answer the question whether that standard forms an obstacle in establishing the occurrence of discriminatory violence In addition she offers an assessment into the circumstances in which the burden of proof may shift from the applicant to the respondent state The author also looks at the types of evidentiary materials that may be used by the Court in order to establish discriminatory violence **Handbook of Public Protection** Mike Nash,Andy Williams,2010-09-27 Public protection has become an increasingly central theme in the work of the criminal justice agencies in many parts of the world in recent years Its high public profile and consequent political sensitivity means that growing numbers of criminal justice professionals find their daily work load dominated by the assessment and management of high risk of harm offenders Developments such as sex offender registers and in the UK Multi Agency Public Protection Arrangements Mappa have made this issue not only a core activity for police probation and prison services but to a range of other organizations as well in particular social work and the health services Partnership has become central to the concept of public protection At the same time the concept of public protection has occasioned increased political debate Protecting the public from high risk or dangerous offenders has become an international issue and has increasingly shaped criminal justice policy This text brings together leading authorities in the field providing authoritative coverage of the theory and practice of public protection both in the UK and internationally It provides a critical review of contemporary public protection practice as well as up to date research and thinking in the field *American Antifa* Stanislav Vysotsky,2020-07-09 Since the election of President Trump and the rise in racist and white supremacist activity the militant antifascist movement known as antifa has become increasingly active and high profile in the United States This book analyzes the tactics culture and practices of the movement through a combination of social movement

studies and critical criminological perspectives Based on extensive fieldwork and interviews with activists this book is the first scholarly sociological analysis of contemporary antifascist activism in the United States Drawing on social movement studies subculture studies and critical criminology it explains antifa s membership their ideology strategy tactics and use of culture as a weapon against the far right It provides the most detailed account of this movement and also cuts through much of the mythology and common misunderstandings about it This book will be of interest to scholars and students in sociology political science anthropology criminology and history however a general audience would also be interested in the explanation of what drives antifa tactics and strategy in light of the high profile conflicts between fascists and antifascists

Sexual Crime and the Experience of Imprisonment Nicholas Blagden,Belinda Winder,Kerensa Hocken,Rebecca Lievesley,Phil Banyard,Helen Elliott,2019-03-12 This book focuses on the experience of imprisonment from the perspectives of individuals with sexual convictions It stresses the importance of a positive and rehabilitative prison climate The volume begins with an exploration of the theoretical underpinnings of a rehabilitative prison climate and discusses some of the practical ways of creating rehabilitative cultures in prisons housing people convicted of sexual offences Four empirical chapters focus on the experience of stigmatisation prison officers attitudes towards prisoners offences negotiating the sex offender identity in prisons and the varied experience of being in prisons exclusively for individuals with sexual convictions Throughout the authors discuss the specific benefits of peer support such as the chance to earn self forgiveness construct adaptive identities and consequently move away from harmful labels The book also spotlights a chapter on the experience of imprisonment written by a former service user this unique position offers an insightful account of an individual s journey through the prison system

Religion, Faith and Crime Kim Sadique,Perry Stanislas,2016-05-28 This unique collection brings together international contributors from a range of disciplines to explore crime and responses to crime through a religious faith based lens At a time when religion is under the media spotlight in terms of religiously motivated hate crime terrorism and child abuse this book provides an important platform for academic debate It examines these and other key issues including faith as a coping strategy religion as a motivating factor and the role of religion and morality in shaping criminal justice responses This collection clearly places religion faith at the heart of criminological enquiry and illustrates its relevance in addressing wider social issues and would be of benefit to students and academics researching or studying in these areas It will also be of interest to community and criminal justice practitioners and those with an interest in community engagement and multi faith work

Global counter-terrorism Sagnik Dutta,Tahir Abbas,Sylvia I. Bergh,2025-02-25 This collection aims to inaugurate a new direction in research on counterterrorism by exploring global connections both in terms of practices and discourses as well as shared ideas and epistemes that animate counterterrorism practices The chapters grouped under the themes of postcoloniality and coloniality and entanglements of the transnational and the local and counterterrorism and right wing extremism are attentive to global connections and are mindful of the complexities of global

historical processes that constitute the politics of counterterrorism This book aims to bring together scholars studying counterterrorism in the global North and the global South to explore convergence and divergence in how counterterrorism policies function in a range of national and local contexts
