Have A Good Day For Jesus And John Wayne:

Have a Good Day for Jesus and John Wayne. Richard G. Britz, 2013-11 Are you a terrorist the officer asked me in broken French English through the big smile on his face I smirked and answered back I have been accused of that The smile left his face and I figured out pronto that my Texas sense of humor was not appreciated and an African prison could be in my future This is a story at once simple and complex and you will find yourself laughing on one page and tearing up on the next In the alien landscape of west central Africa as a paramedic a wildly limiting title Britz finds beauty hope and lessons of love faith and making a difference Have a Good Day for Jesus and John Wayne is equally an adventure story a drama a black comedy a comedy comedy and a testimony and does not allow itself to be returned to its shelf until the reading is done Again and again and again the message of God's ever presence gentle caring and eagerness to be called on radiates from diverse situations Richard G Britz is the quintessential action adventure guy Having a good day for Jesus and John Wayne truly sums up the way he lives He can be found wandering between Texas and Africa on a regular basis working practicing his unique style of full contact evangelism Whether he is at work as a medic a teacher or a hand saving souls fighting death stamping out disease or building a fence his passion God's calling on him shines through He is married with three daughters two dogs and calls the hill country of Texas home

The Story Matters Tammie Price, 2012-06 Stories that Matter One Incredible God How could a pair of blue stilettos change someone else's story Why would that story even matter Everyone has a story the beautician at the beauty salon the homeless pregnant woman found sleeping in the park a pharmaceutical sales rep that appears as if her life is perfect the successful owner of a local waterline company or even a shallow faced teen ravaged by the effects of drugs All of them have stories stories that matter Inside this book there are countless real stories Your faith will be encouraged as you read about how God speaks by sending butterflies after a night of sorrow through catching fish a timely delivery and the faith it took to build a ministry for those who didn't think their stories mattered Join the courage of many that have found where their Hope Joy Peace and Freedom truly come from After reading these amazing stories you will be encouraged and uplifted knowing that God hears and answers prayer He desires to become the Author of your story as well because your story matters Tammie Price is the founder and president of A Place for Us Ministries Inc After finding herself pregnant out of wedlock married and then going through a heart wrenching divorce she never imagined her story would matter and could be used for good When she found the Lover of her soul through a real relationship with Jesus Christ it became the turning point in her life He became her everything He would heal her brokenness and call a community to join in her efforts to reach out to the broken A Place for Us Ministries was founded in April 2001

John Wayne Speaks Mark Orwoll, 2025-09-23 With more than 1 100 impeccably sourced quotes from throughout John Wayne's 172 film career John Wayne Speaks The Ultimate John Wayne Quote Book provides what has often been missing from other Duke Wayne reference books accuracy context and

comprehensiveness These quotations offer a deep dive into Wayne s films and acting persona the iconic American man of action whose sense of values and decency are a veneer covering a boiling pot of determination courage outrage and even violence The quotes in John Wayne Speaks are at once inspirational humorous touching and revealing Author and veteran journalist Mark Orwoll has created an overlay of categories into which each quote fits making the manuscript easy for readers to find the type of quote or even the exact quote footnoted to identify its film they may be searching for But John Wayne Speaks is more than just a collection of the actor s movie lines Orwoll has researched and written an in depth introduction to Wayne s film career to put the quotes in a broader context Movie lovers will also appreciate the author s opinionated capsule reviews and production notes from Wayne s complete filmography John Wayne Speaks is the quote book that every fan of the Duke needs and a delightful addition to any cinephile s library **John Wayne: The Life and Legend** Scott Eyman,2015-04-21 The celebrated Hollywood icon comes fully to life in this complex portrait by noted film historian and master biographer Scott Eyman Exploring Wayne s early life with a difficult mother and a feckless father Eyman gets at the details that the bean counters and myth spinners miss Wayne s intimates have told things here that they ve never told anyone else Los Angeles Times Eyman makes startling connections to Wayne s later days as an anti Communist conservative his stormy marriages to Latina women and his notorious and surprisingly long lived passionate affair with Marlene Dietrich

The Flag and the Cross Philip S. Gorski,Samuel L. Perry,2022 In this short primer Gorski and Perry explain what white Christian nationalism is and is not when it first emerged and how it has changed where it s headed and why it threatens democracy Tracing the development of this ideology over the course of three centuries and especially its influence over the last three decades they show how white Christian nationalism motivates the anti democratic authoritarian and violent impulses on display in our current political moment When We Belong Rohadi Nagassar,2022-06-14 Step into a journey toward liberation belonging and a faith that makes you whole again We need belonging to survive and thrive but too often the church is an impediment For Christians who know the pain isolation and loss of identity that comes with the ongoing struggle to be seen in churches and institutions full of barriers to belonging you are not alone Sometimes it can feel easier to walk away from faith completely But there is another way When it feels as though there s no place left to belong Jesus invites us into a love that knows no bounds and a community that truly liberates In this hope filled book author Rohadi Nagassar brings the margins to the center to help readers rediscover a reality of love belonging and beauty through the journey of deconstructing decolonizing and reclaiming faith For those on the margins struggling to find belonging for everyone who wants to join in building radically inclusive communities where all people can live fully in their own skin now begins a journey to find this freedom **Catalog of Copyright Entries** Library of Congress. Copyright Office,1961 **Compassion** Travis A. Miller,2022-08-24 What does it mean to be compassionate How does it go beyond merely caring for others The last several years in America have seen a sharp decline in compassion A deep political divide has surfaced and even worse those who are

called most to be compassionate and caring have often betrayed the very beliefs they profess It has created a roiling climate where us against them has become the initial focus on every issue Each side would rather win than be proven right because the other is automatically wrong simply by being the other At the center of this battle is the Christian faith which has been exploited by some and compromised by others The same people that derided Bill Clinton in the nineties for his personal indiscretions now laud Donald Trump as a savior despite similar indiscretions For those that were raised in this it can cause a crisis of faith

The Gospel of J. Edgar Hoover Lerone A. Martin,2024-11-05 The shocking untold story of how the FBI partnered with white evangelicals to champion a vision of America as a white Christian nation On a Sunday morning in 1966 a group of white evangelicals dedicated a stained glass window to J Edgar Hoover The FBI director was not an evangelical but his Christian admirers anointed him as their political champion believing he would lead America back to God The Gospel of J Edgar Hoover reveals how Hoover and his FBI teamed up with leading white evangelicals and Catholics to bring about a white Christian America by any means necessary Lerone Martin draws on thousands of newly declassified FBI documents and memos to describe how under Hoover s leadership FBI agents attended spiritual retreats and worship services creating an FBI religious culture that fashioned G men into soldiers and ministers of Christian America Martin shows how prominent figures such as Billy Graham Fulton Sheen and countless other ministers from across the country partnered with the FBI and laundered bureau intel in their sermons while the faithful crowned Hoover the adjudicator of true evangelical faith and allegiance These partnerships not only solidified the political norms of modern white evangelicalism they also contributed to the political rise of white Christian nationalism establishing religion and race as the bedrock of the modern national security state and setting the terms for today s domestic terrorism debates Taking readers from the pulpits and pews of small town America to the Oval Office and from the grassroots to denominational boardrooms The Gospel of J Edgar Hoover completely transforms how we understand the FBI white evangelicalism and our nation s entangled history of religion and politics
