the story was broadcasted describing the torture of various animals It made me sick From that point on I decided to sit down and write this book How to Fall in Love with an Animal Without going into great detail I felt that it was necessary to be able to share my families personal experiences even though some of them were very painful but there are some that ended in a happy ending My story is in regards to our happy animals alongside stories that are sickening and disturbing from individuals who do not value the life of an animal There is always someone to blame for this pain We as human beings are more than capable of being able to love an animal As a matter of fact this book will help you believe that you can make your life more cheerful and comfortable when adopting an animal I realize that in the world today there is so much hate and evilness that follows and there is very little that I can do besides making monthly donations that will help aid in the rescue of thousands of neglected animals I wish with all my heart that I could do more and I hope by writing this book that it would inspire you and help you become a better person The love we have for our animals happens to be displayed throughout my book I hope this book will touch a soft place in your heart Remember animal life is not over until we decide it s not worth hanging on to We all must keep remembering that we are all children of God whether it be human beings or animals
