Maplin Auto Electronics Projects Maplin Series:

Auto Electronics Projects Maplin, 2013-10-22 Many car owners find the mechanics of their vehicle relatively familiar ground but struggle when faced with the electrics. Increasingly vehicle design depends on a bewildering array of more advanced electronics. This book helps the reader to understand more about car electrics and its workings and therefore should help with fault diagnosis. It includes the latest developments such as electronic ignition described in a way that is accessible to anyone with a basic grasp of electricity. In addition, this is a collection of projects, each a practical, useful and proven design. These projects provide an array of elegant and affordable solutions: from a digital tachometer, a lights-on warning indicator, a digital device to calculate fuel consumption and some basic alarm and audio designs. Most importantly, all components and devices described in this book are readily available; readers can be confident of obtaining all the parts and equipment from Maplin, either through their catalogue or their network of high street stores. Based on projects from *Electronics the Maplin Magazine*, this compendium will spark the interest of anyone who wishes to put their electronics skills to good and fruitful use. Other books in the Maplin Series include *Starting Electronics*, all you need to get a grounding in practical electronics; *Computer Interfacing*, a general introduction to computers covering all aspects of hardware and how they interface; *Logic Design*, an introduction to digital logic; *Music Projects*, straightforward design ideas to build Audio IC Projects, a collection of useful circuits based on readily available chips; *TV and Video Projects*, a collection of useful and proven design ideas.

Power Supply Projects Maplin, 2013-10-22 Using circuit diagrams, PCB layouts, parts lists and clear construction and installation details, this book provides everything someone with a basic knowledge of electronics needs to know in order to put that knowledge into practice. This latest collection of Maplin projects are a variety of power supply projects, the necessary components for which are readily available from the Maplin catalogue or any of their high street shops. Projects include laboratory power supply projects for which there are a wide range of applications for the hobbyist, from servicing portable audio and video equipment to charging batteries and miscellaneous projects such as a split charge unit for use in cars or similar vehicles when an auxiliary battery is used to power 12v accessories in a caravan or trailer. Both useful and innovative, these projects are above all practical and affordable.

Test Gear and Measurements David Stewart OBE D.Litt.h.c., 2016-06-23 This book provides a clear introduction to test gear in the field of electronics. As well as being a first guide to test gear and its use, the book includes much practical information and reference material for the more experienced electronics enthusiast or student. Based on a collection of feature articles originally published in *Electronics the Maplin Magazine*, this work by Danny Stewart is sure to be useful to electronics constructors, students and experimenters alike. Details of all the common and some not so common items of test gear are included alongside information regarding its use in various measurement situations.

Home Security Projects Staff Maplin, Maplin, 1996 This title contains useful design ideas for various security devices around the home, components for which are affordable and readily available. Clear construction

and installation instructions accompanied by circuit designs PCB layouts and a list of the necessary components allow the reader to design anything from a gas leak detector to an electronic watchdog Based on projects from Electronics the Maplin Magazine this book provides a practical guide for anyone with a basic knowledge of electronic circuit construction and allows them to put that knowledge to good use *Understanding Automotive Electronics* William B.
