Year 2000 Nancy P. James, 2024-10-15 Can you imagine Congress compromising or a president signing a bill against their donors interests

Year 2000 The Inside Story of Y2K Panic and the Greatest Cooperative Effort Ever tells how the Y2K crisis when date sensitive software risked crashing vital systems was averted through unprecedented cooperation

Author Nancy James describes how the crisis was exposed analyzed and resolved offering a fascinating look at teamwork on every level along with surprising blunders and near disasters This compelling history shows a nation united to solve a universal challenge a timely lesson for today

The new millennium The Year 2000 Beyond Mayan prophecies a more immediate danger loomed Two digit year date fields had been used by software programmers for decades to conserve expensive computer storage space As a consequence legacy systems reading 00 on January 1 2000 would most probably interpret the date as 1900 Infrastructures critical to civilization including heat electricity water and sanitation were at risk all complete unknowns There was fear of an accidental nuclear arms deployment There was fear of monetary systems being jeopardized infrastructure collapse internet security failures and interruption of government provided social programs Banks experienced massive cash withdrawals while law firms worked overtime to develop novel litigation plans Insurance enterprises worried

Year 2000 The Inside Story of Y2K Panic shares the untold story of the actors operating on the global stage responsible for managing computer hardware and software for Year 2000 compliance thus keeping national infrastructures finance and commerce functioning It turned out that the world did not end January 1 2000 In fact most people rang in the new year with the perception that nothing happened at all This positive outcome was not a stroke of luck nor was it because people overestimated or exaggerated Y2K risk It was only possible because people across industries from legal clerks to programmers to President Bill Clinton himself worked tirelessly to offset disaster But the Millennium did not pass completely harmlessly it turns out that the United States for a brief period lost all satellite reconnaissance at 7 00 PM EST December 31 1999 midnight GMT 01 01 2000 As a leading consultant and speaker on the challenges of Y2K during the lead up to the new millennium author Nancy P James was directly involved in preparation for Y2K on the local and global stage Using first person experience primary source documents outlining Y2K issues anxieties and the actions influences opinions and strategies of those involved James reveals the untold story of the behind the scenes scramble that made Y2K seemingly come and go and offers stark lessons on how the global community can unite to face problems that challenge our world at large James tells the contemporaneous story of those national and international Y2K actors who at the time did not know the outcome of the Year 2000 computer problem

Intellectual Property Law and Access to Medicines Srividhya Ragavan, Amaka Vanni, 2021-07-28 The history of patent harmonization is a story of dynamic actors whose interactions with established structures shaped the patent regime From the inception of the

trade regime to include intellectual property IP rights to the present this book documents the role of different sets of actors states transnational business corporations or civil society groups and their influence on the structures such as national and international agreements organizations and private entities that have caused changes to healthcare and access to medication Presenting the debates over patents trade and the Agreement on Trade Related Aspects of Intellectual Property Rights TRIPS Agreement as it galvanized non state and nonbusiness actors the book highlights how an alternative framing and understanding of pharmaceutical patent rights emerged as a public issue instead of a trade or IP issue The book thus offers an important analysis of the legal and political dynamics through which the contest for access to lifesaving medication has been and will continue to be fought In addition to academics working in the areas of international law development and public health this book will also be of interest to policy makers state actors and others with relevant concerns working in nongovernmental and international organizations **Martindale-Hubbell Buyer's Guide** ,2003
