The God Debaters Adrian Rosenfeldt, 2022-05-04 This book examines the post 9 11 God debate in the West Through a close study of prominent English God debaters Richard Dawkins Karen Armstrong Christopher Hitchens and Terry Eagleton Adrian Rosenfeldt demonstrates that New Atheist and religious apologist ideas and arguments about God science and identity are driven by mythic autobiographical narratives and Protestant or Catholic cultural heritage This study is informed by criticism of the New Atheist polemic as being positivistic and the religious apologists as propagating sophisticated theology In both cases the God debaters are perceived as disassociating themselves from human lived experience It is through reconnecting the God debaters intellectual ideas to their cultural and social background that the God debate can be grounded in a recognisable human reality that eludes reductive distinctions and disembodied abstractions

The Debaters of This Age Steven H Propp, 2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time
