Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook Dr. John Mannion,2020-11-17 Inspirational writing meets Bible commentary Nuggets of Truth stands as a different kind of devotional It is perhaps more in keeping with Oswald Chamber s My Utmost for His Highest in that it is meant to teach more than it is meant to simply inspire Not that each Nugget of Truth does not inspire On the contrary it stands as a very inspirational book even as the Scriptures themselves never fail to inspire Indeed the content of each individual devotional is full of Scripture Each Nugget of Truth is designed to provide the reader with a short Bible study Hence the reader is more of a student than simply a reader The considerable content of each day s study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year The sub title of Nuggets of Truth A Bible Student s Devotional and A Bible Teacher s Resource Handbook reveals the two fold purpose and use of this book It is meant to be a devotional for Bible students and for Bible teachers In keeping with this second purpose the devotional is exhaustively indexed With its indexes Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries 80 pages of downloadable indices provided with purchase

Growing Whole Gloria Crawford Henderson,2022-01-14 This book is the story of one woman s spiritual awakening I was born into a Christian household so I have always known about God and for many of my early years I thought that was enough I participated in the rituals common to my faith and I engaged in activities of daily living much like other humans I identified my life goals and I diligently implemented the strategies to achieve them I was taught that education and hard work were the tickets to happiness so that is the direction I traveled I became a wife and mother and both roles brought joy into my life in ways I could not have imagined At some point during my middle years though it became clear that something important was missing What started out as a faint feeling of emptiness grew into a keen awareness that the calling on my life included more

than working long hours in one stressful job after another There was a loneliness deep inside that I could not explain By secular standards I should have been happy and content I was ashamed to admit my feelings of uneasiness to anyone because in accordance with worldly norms I was living a dream life So I kept quiet and went about my days as expected all the while I was hoping the disturbance in my spirit would subside But it did not Over time I became more and more uncomfortable with the lifestyle I had settled into I prayed for divine guidance and after much self examination and soul searching I got the clarity I needed I came to the realization that knowing about God and knowing God are not the same It was no longer enough for me to have a relationship with Him based on rituals I needed a more intimate friendship With this recognition I set out on a lifelong spiritual journey of growing whole
