Masters and Mercenaries Bundle: The Early Ops (Books 1-5) Lexi Blake, 2017-12-15 *Long Lost Lexi*

Blake, 2020-02-04 A stolen past The only thing Tucker remembers of his past is pain Used in a doctor's evil experiments his memories and identity were erased and his freedom taken He believed his nightmare was over when he was liberated by the men and women of McKay Taggart until he heard the name Steven Reasor The idea that he could have been involved in the terrible experiments that cost his brothers everything crushed him A desperate attempt to force him to remember the truth almost cost him his life Now his world is in chaos and his only path to finally uncover the truth and atone for his sins leads to Veronica Croft A painful present Veronica Roni Croft knew Dr Steven Reasor was bad for her but she also saw a side of the man that no one else knew Even as she began to believe their employer was hiding something sinister she was drawn to him like a moth to a flame Their affair was passionate and intense but also fraught with danger When he disappeared under mysterious circumstances she took her first chance to run and never looked back She has stayed hidden ever since running from forces she knows are too powerful to overcome But now the man she believed was dead the man she mourned has returned and needs her help A dangerous future As Tucker and Roni unravel the secrets of his past a dark force rises and threatens to destroy them Their only chance for survival will require them to join forces with the Lost Boys worst enemy Only together can they finally unlock Tucker's past But as Tucker's memories begin to come back will it free them both or tear them apart forever

Love the Way You Spy Lexi Blake, 2023-09-19 Tasha Taggart isn't a spy That's her sister's job Tasha's support role is all about keeping them alive playing referee when they fight amongst themselves and soothing the toughest boss in the world Working for the CIA isn't as glamorous as she imagined and she's more than a little lonely So when she meets a charming man in a bar the night before they start their latest op she decides to give in to temptation The night was perfect until she discovers she's just slept with the target of their new investigation Her sisters will never let her hear the end of this Even worse she has to explain the situation to her overprotective father who also happens to be their boss Dare Nash knew exactly how his week in Sydney was going to go attending boring conferences to represent his family's business interests and eating hotel food alone Until he falls under the spell of a stunning and mysterious American woman Something in Tasha's eyes raises his body temperature every time she looks at him She's captivating and he's committed to spending every minute he can with her on this trip even if her two friends seem awfully intense He doesn't trust easily but it's not long before he can imagine spending the rest of his life with her When Dare discovers Tash isn't who she seems the dream turns into a nightmare She isn't the only one who deceived him and now he's in the crosshairs of adversaries way out of his league He can't trust her but it might take Tasha and her family to save his life and uncover the truth
