Gregory of Nazianzus Gregorius,1996-12-05 Greek text and facing page translation of a selection of Gregory of Nazianzus's poems

Christ in the Life and Teaching of Gregory of Nazianzus Andrew P. Hofer,2013-08-29 Christ in the Life and Teaching of Gregory of Nazianzus is the first full length book devoted to an overview of the Christology of this fourth century Father of the Church Andrew Hofer examines the breadth of Gregory's corpus orations letters and poems often neglected in doctrinal studies to argue that Gregory's writing on Christ can be best understood in tandem with his autobiography This study begins with an articulation of Gregory's theology of the Word in which words come from the Word who became incarnate Hofer then offers a close reading of how Gregory writes to or about Christ in the poetry known as on himself Within a three part study of autobiographical Christology Hofer explores the philosophical background of Gregory's rhetoric for what he calls the mixtures of Christ and himself He then elucidates this autobiographical concern in Gregory's famous Ep 101 a landmark text in the Christological controversies Thirdly Hofer considers how Gregory celebrates the mysteries of Christ in the festal orations Before the book's epilogue a chapter describes how Gregory wrote of Christ for his pastoral ministry Throughout the work Hofer demonstrates the importance in Gregory's writings of the language of blending such as in the Greek word *krasis* rejected by the Council of Chalcedon to describe the Incarnation This book thus offers a unique perspective on the one known as the Theologian in Chalcedon's acts and in subsequent Christian tradition [St. Gregory of Nazianzus](#) John Anthony McGuckin,2001 Saint Gregory of Nazianzus stands as the founding father of the Byzantine religious synthesis and his own conception of the vision of God as light made him an important figure for Byzantine spiritual writers This study is a critical analysis of the man his writings and inner life in the English language It offers an insight into the mind of one of the greatest protagonists of Nicene theology and opens a window onto the world of late antiquity and the place of the Christian Church in it

From Nicaea to Chalcedon Frances M. Young, 2013-01-26 Created as a companion guide to a Patristics textbook From Nicaea to Chalcedon surveys a variety of writings to have occurred during one of the most significant periods in the formation of the Church from 265 466 It does not aim to cover the subject as a textbook would but aims to delve deeper into some of the characters who were involved with the Church or the Councils during this period Beginning with Eusebius of Caesarea and the first council of the Church at Nicaea and ending with Theodoret of Cyrrhus who is thought to have changed his view of Christology after the watershed Council of Chalcedon this unique text surveys some of the most influential characters to have shaped Church history and the formation of doctrine Surveying a mixture of significant literary figures laymen bishops and heretics this book presents biographical literary critical and theological information about each They are chosen either because they are important to the history of doctrine or because new material about them has thrown light upon their work or because they will broaden the reader's understanding of the culture and history of the period or of live issues in the church at the time Structured in five parts each part deals with a period of time and a sequence of characters so the book is easily followed in chronological order Added to this is the double bibliography which in this edition is fully updated Bibliography A details those texts in English of the original texts of antiquity whilst Bibliography B provides details of publications in English French and German which have appeared since 1960 2004 on or about the characters discussed in the body of the text

Divine Eloquence and Human Transformation Ben Fulford, 2013-07-01 Key to a theology of scripture are the important issues of history consciousness rhetoric and how theology functions in relation to interpretation of Christianity's religious texts Seeking to address a critical problem in theology and the interpretation of scripture raised by modern historical consciousness Ben Fulford argues for a densely historical and theological reading of scripture centered in a Christological rubric The book addresses the challenge of historicity and historical consciousness argues for the relevance of pre modern approaches to scripture and offers a fresh and extensive account of two salient figures from the early and contemporary tradition thus enacting a theology of retrieval as a resource on a present issue of vital importance

The Nicene Faith John Behr, N this sequel to *The Way to Nicaea* Fr John Behr turns his attention to the fourth century the era in which Christian theology was formulated as the Nicene faith the common heritage of most Christians to this day Engaging the best of modern scholarship Behr provides a series of original comprehensive and insightful sketches of theology of the key protagonists of the Nicene faith presenting a powerful vision of Christian theology centered upon Christ and his Passion

Christian Family and Contemporary Society, 2014-11-20 This collection of essays integrates a broad spectrum of geographical denominational and interdisciplinary perspectives and analyses the relationship between family and religion in its various contexts both historical and contemporary Divided into four key parts the contributors address first the biblical

and patristic background of the family construct while the second part reveals denominational and ecumenical perspectives on marriage and the family The third part sketches a sociological profile of the family in some European countries and addresses pastoral and sacramental issues connected with it The final part places the Christian family in the context of contemporary society
