in romance Years of working at Beneath the Veil her single mother s bridal boutique have shown Harper the reality of love
and weddings and a summer fling that ended badly only added to her cynicism But this doesn t stop her from sneaking
glances at Felix the cute boy from school who works out at the gym across the street even if she has no plans of ever asking
him out Her best friend Theo on the other hand is a complete romantic who keeps getting his heart broken by girls who don t
reciprocate the intensity of his feelings When Harper offers to teach Theo how to date without becoming too invested Theo
agrees on the condition that Harper leads by example She accepts the challenge and approaches Felix who turns out to be as
attracted to Harper as she is to him She soon realizes that maintaining indifference might be more difficult than anticipated
especially if the romance that she s been rejecting might be something she wants after all despite her fear of breaking up

End of the CBC David Taras,Christopher Waddell,2020-02-18 The End of the CBC is about three overlapping crises the
crisis that has enveloped the CBC the crisis of news and the crisis of democracy They are all the result to some degree of the
vast changes that have overtaken and consumed the media world in the last ten to fifteen years The emergence of platforms
such as Google Facebook Twitter and Netflix the hyper targeting of individual users through data analytics the development
of narrow online identity communities and the rise of an attention economy that makes it more and more difficult for any but

the most powerful media organizations to be noticed have changed the media landscape in dramatic ways The effects on the CBC and on other Canadian media organizations have been shattering Describing the failure of successive governments to address problems faced by the public broadcaster this book explains how the CBC lost its place in sports drama and entertainment Taras and Waddell propose a way forward for the CBC one in which the corporation concentrates its resources on news and current affairs and re establishes a reputation for depth and quality
