Kaiser, Jr.,2009 In this new book Walt Kaiser makes the case for the unity of the Bible The theological unity of the Bible celebrates the diversity of the Bible but does so with the conviction that even though that unity can be tested historically ethically and otherwise it has not detracted from the central case for the theological harmony that is found in the text This has been the general conclusion of two millennia of Judo Christian exegesis *Hard Sayings of Jesus* F. F. Bruce,2025-10-28 Like his original hearers many people today find Jesus sayings hard Some sayings are hard because they are difficult to understand others because the demands they make on us are only too clear F F Bruce examines seventy of the hard sayings of Jesus to clear away the cultural and historical difficulties which keep us from grappling with the real challenge of Jesus message Evident in each chapter is Bruce s keen evangelical scholarship and pastoral insight **Hard Sayings of Paul** Manfred Brauch,1989-06-22 Manfred T Brauch tackles forty eight frustrating passages from the letters of Paul and helps readers understand their importance for Christian living today *The Sexual Reformation* Aimee Byrd,2022-03-08 What does it mean to be a woman or a man created in the image of God Many Christians don t have a good grasp of what their

sexuality means Many women in the church don't feel like their contributions matter Why is this The church is sadly still confused about what it means to be a man or a woman While secular society talks about sexuality in terms of liberation many in the church define manhood and womanhood in terms of reductive roles that rob us of the dignity of personhood created in the image of God In her poetic theologically contemplative style Aimee Byrd invites you to enter the rich treasure trove of the Song of Songs as its lyrics reveal how our very bodies are visible signs that tell us something about our God This often ignored biblical book has much to teach us about Christ his church man and woman And what it teaches us is not a list of roles and hierarchy It is a love song As it unfolds throughout the canon of Scripture the meaning of our sexuality extends beyond biology nature and culture to give us a glimpse of what is to come This meaningfulness reinforces our discipleship as we participate in the eschatological song In *The Sexual Reformation* you will discover the beautiful message that our bodies and our whole selves are part of the greater story in which Christ received the gift of his bride the church Within the context of that story you'll rediscover your sexuality as a gift *The Burning Bush and Canada* Roderick George MacBeth, 1925

F. F. Bruce Tim Grass, 2012-01-09 This is the first ever full length biography of Frederick Fyvie Bruce 1910 1990 one of the most influential British biblical scholars of the twentieth century Over his lifetime F F Bruce authored some fifty books and nearly two thousand articles and reviews His career offers valuable insights into key issues that affected evangelicals from the 1950s onwards including the relationship between academic theology and church life and the perception of evangelical scholarship within the academy at large *The Holy and the Hereafter or is it Hooey?* J L Miller, 2013-10 The original purpose of this book was to explore various religious ideas and beliefs relating to the hereafter The title was to be *The Hereafter Maybe* On completion of the first few chapters the author concluded that every major religion's philosophy theology had included much nonsense at least if viewed solely from common sense Thus this text took on an increased scope It has a wealth of imagination on holy belief and the possibilities of an afterlife Most nonfiction writers on the subject of religion generally endorse a preconditioned accepted view as truth and even the only truth This book's author believes all truth is partial and that any human belief about God from any religion is at best partial Both the expert and the layman will find food for thought regarding the reality of their own religious philosophy **Consider Him** Catherine

Campbell, 2023-10-19 Jesus knows you Do you want to know Him In this 365 day devotional Catherine Campbell invites you to spend a year focusing daily on the life teachings and ministry of Jesus Christ Warmly written and firmly rooted in Scripture *Consider Him* offers personal stories anecdotes and narrative biblical retellings to draw our minds and hearts closer to Him Catherine also seeks to spur our reflection into action with entries that feature opportunities not just to be listeners of the Word but doers of it as well Whether you are beginning renewing or deepening your relationship with Jesus let *Consider Him* guide you towards the author and perfecter of our faith **Lotto** John Gilmore, 2013-08-09 Did biblical characters gamble in casting lots Did reliance on casting lots encourage gambling Do all risk taking decisions have a gambling element Are Stock

Crane,2024-05-03 A concise updated summary of top Bible scholars on male female leadership focusing on facts rather than theories and leaving conclusions to the reader Includes a fascinating look at ancient texts Bible translations through the centuries and early church actions on women leaders Academically sound but written for the average reader A quick read of about three hours backed up with references to more than 100 leading scholars **Telling the Old, Old Story (Larsen)** David L. Larsen,2000 *Bringing the Depths into Focus* T. Scott Womble,2021-08-16 The Bible is a frustrating book to many Christians It s not uncommon to hear that it s difficult to understand To complicate the matter we live in a culture that dismisses the importance of God s word altogether and we are left to wonder if Scripture has lost its impact At a time when the world needs the wisdom of God s word many are skeptical as to why they should bother reading the Bible at all Scott Womble brings hope to this bleak situation by showing how we can not only learn to read and interpret the Bible more skillfully but also enjoy our time in study In addition to discussing critical issues such as literary context genre identification and background study Womble breaks new ground by encouraging us to both hear and see the text semiotics This incorporation of semiotics into the interpretive process helps us more fully interact with the word While sound interpretation is of great importance the end goal of Bible reading is application For Womble this is the crux of the matter Scanning prominent theories of application and concluding with seven guidelines this book is sure to help Jesus followers become more intentional doers of the word *Can You Be Gay and Christian?* Michael L. Brown,2014 Gay and Christian will provide solid biblical answers clearly written and based on sound

scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth
