Homosexuality And Civilization:

Homosexuality and Civilization Louis Crompton, 2003 How have major civilizations of the last two millennia treated people who were attracted to their own sex In a narrative tour de force Louis Crompton chronicles the lives and achievements of homosexual men and women alongside a darker history of persecution as he compares the Christian West with the cultures of ancient Greece and Rome Arab Spain imperial China and pre Meiji Japan Ancient Greek culture celebrated same sex love in history literature and art making high claims for its moral influence By contrast Jewish religious leaders in the sixth century B C E branded male homosexuality as a capital offense and later blamed it for the destruction of the biblical city of Sodom When these two traditions collided in Christian Rome during the late empire the tragic repercussions were felt throughout Europe and the New World Louis Crompton traces Church inspired mutilation torture and burning of sodomites in sixth century Byzantium medieval France Renaissance Italy and in Spain under the Inquisition But Protestant authorities were equally committed to the execution of homosexuals in the Netherlands Calvin s Geneva and Georgian England The root cause was religious superstition abetted by political ambition and sheer greed Yet from this cauldron of fears and desires homoerotic themes surfaced in the art of the Renaissance masters Donatello Leonardo Michelangelo Sodoma Cellini and Caravaggio often intertwined with Christian motifs Homosexuality also flourished in the court intrigues of Henry III of France Queen Christina of Sweden James I and William III of England Queen Anne and Frederick the Great Anti homosexual atrocities committed in the West contrast starkly with the more tolerant traditions of pre modern China and Japan as revealed in poetry fiction and art and in the lives of emperors shoguns Buddhist priests scholars and actors In the samurai tradition of Japan Crompton makes clear the celebration of same sex love rivaled that of ancient Greece Sweeping in scope elegantly crafted and lavishly illustrated *Homosexuality and Civilization* is a stunning exploration of a rich and terrible past

Homosexuality and Civilization Louis Crompton, 2006 The author explores the relationship between same sex love and civilization comparing attitudes in the Christian west to classical Greek Roman Arab Chinese and Japanese views on the subject as they were influenced by religious superstition political intrigue and basic human desires

Capitalism's Sexual History Nicola Jo-Anne Smith, 2020 As ongoing controversies over commercial sex attest the relationship between capitalism and sexuality is deeply contentious Economic and sexual practices are assumed to be not only separable but antithetical hence why paid sex is so often criminalized and morally condemned Yet while sexuality is highly politicized in moral terms it has largely been overlooked in the discipline devoted to the study of global capitalism international political economy IPE Likewise the prevailing field in sexuality studies queer theory has frequently sidelined questions of political economy This book calls for critical scholarship to challenge the economy sexuality dichotomy as it not only structures disciplinary debates but is part and parcel of capitalism itself *Capitalism's Sexual History* brings IPE and queer theory into close dialogue to explore how the division between economy and sexuality has been historically produced

to appear both natural and moral By examining sex work in Britain Nicola J Smith draws on in depth archival research to chart a history of capitalism s sexual relations from medieval times to the present day She shows how capitalist development was made possible by the appropriation of unpaid sexual labor that relied in turn on the repression and production of paid sex By tracing the historical construction of boundaries around sex and work this book exposes how capitalism has long profited from the notion that the sexual and economic spheres can and must be kept apart In so doing it offers a distinctive contribution to the study of sex and work as well as to wider scholarly activist and policy debates about political economy reproductive labor gender equality and sexual justice

The Origins and Role of Same-Sex Relations in Human Societies James Neill,2011-10-17 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex

Jay Michaelson,2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages EDGE The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible s teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity God vs Gay is a plea for a more compassionate informed conversation and a first step toward creating one LGBTQ Stats Bennett Singer,David Deschamps,2017-01-24 Winner of the 2018 American Library Association Stonewall Honor Book Award An essential handbook of myth busting facts and figures about the real lives of lesbian gay bisexual transgender and queer people Twenty years ago it was impossible to imagine the president of the United States embracing same sex marriage or Bruce Jenner transitioning to Caitlyn Jenner an open transgender woman LGBTQ Stats chronicles the ongoing LGBTQ revolution providing the critical statistics and draws upon and synthesizes newly collected data Deschamps and Singer whose previous books and films on LGBTQ topics have won numerous awards and found audiences around the globe provide chapters on family and marriage workplace discrimination education youth criminal justice and immigration as well as evolving policies and laws

affecting LGBTQ communities A chapter on LGBTQ life around the globe contrasts the dramatic progress for LGBTQ people in the United States with violent backlash in countries such as Russia Iran and Nigeria which have discriminatory laws that make same sex activity punishable by prison or death A lively accessible and eye opening snapshot LGBTQ Stats offers an invaluable resource for activists journalists lawmakers and general readers who want the facts and figures on LGBTQ lives in the twenty first century

Trial of Translation Adam L. Wirrig,2022-04-04 Did the Bible transition from the medieval Vulgate to the vernacular forms of the Protestant Reformation What about from Erasmus s Greek text Were there significant differences in the various vernacular Bibles of the Protestant Reformation How did this or didn t this come to be Utilizing the unique Greek text of 1 Corinthians 6 9 this book explores the relationships between culture location theology and the art of biblical translation within the Protestant Reformation Far from a simplistic transition from their previous forms this work details the differences even one singular text of translation might find within the various locales of the early modern period Ultimately the text details that in addition to faithful thought location culture and community necessities drove the art of biblical translation in the Protestant Reformation and early modern period

Confronting Christianity Rebecca McLaughlin,2019-04-17 Although many people suggest that Christianity is declining research indicates that it continues to be the world s most popular worldview But even so the Christian faith includes many controversial beliefs that non Christians find hard to accept This book explores 12 issues that might cause someone to dismiss orthodox Christianity issues such as the existence of suffering the Bible s teaching on gender and sexuality the reality of heaven and hell the authority of the Bible and more Showing how the best research from sociology science and psychology doesn t disagree with but actually aligns with claims found in the Bible these chapters help skeptics understand why these issues are signposts rather than roadblocks to faith in Christ

Judaism, Homosexuality and Civilization Dennis Prager,1990 Sex, Gender and Sexuality in Renaissance Italy Jacqueline Murray,Nicholas Terpstra,2019-01-23 Sex Gender and Sexuality in Renaissance Italy explores the new directions being taken in the study of sex and gender in Italy from 1300 to 1700 and highlights the impact that recent scholarship has had in revealing innovative ways of approaching this subject In this interdisciplinary volume twelve scholars of history literature art history and philosophy use a variety of both textual and visual sources to examine themes such as gender identities and dynamics sexual transgression and sexual identities in leading Renaissance cities It is divided into three sections which work together to provide an overview of the influence of sex and gender in all aspects of Renaissance society from politics and religion to literature and art Part I Sex Order and Disorder deals with issues of law religion and violence in marital relationships Part II Sense and Sensuality in Sex and Gender considers gender in relation to the senses and emotions and Part III Visualizing Sexuality in Word and Image investigates gender sexuality and erotica in art and literature Bringing to life this increasingly prominent area of historical study Sex Gender and Sexuality in Renaissance Italy is ideal for students of Renaissance Italy and early modern gender and sexuality

How to Build LGBTQ+ Inclusive

Workplaces Binna Kandola,Ashley Williams,2025-03-25 Bringing together the latest research with practical insights from the authors professional experience this important book provides a context for the conversations that are needed within organisations and offers practical guidance towards action that can be taken to improve the working life of LGBTQ employees The book begins by asking how we got here It outlines the development of stigma towards the LGBTQ community from both a historical and psychological perspective before going on to explore the ways in which societal attitudes manifest in the work environment It then looks specifically at LGBTQ experiences in the workplace covering discrimination and exclusion and their impact at both an individual and organisational level before taking an intersectional view of LGBTQ identity and particularly how it interacts with race disability and age The book then provides clear and practical guidance on how to build an LGBTQ inclusive workplace covering organisational policy and culture leadership and allyship Throughout the authors use case studies to demonstrate how to implement policies across a range of regions and offer strategies to minimise homophobic and discriminatory attitudes Taking a psychological approach to this important topic the book is essential reading for all those looking to build and sustain welcoming and inclusive workplaces across all sectors It will also be of interest to students in psychology management and human resources studying workplace attitudes and culture

LGBTQ America Today John Charles Hawley,2008-11-30 Lesbian gay bisexual transgender and queer culture is a vibrant and rapidly evolving segment of the American mosaic This book gives students and general readers a current guide to the people and issues at the forefront of contemporary LGBTQ America Included are more than 600 alphabetically arranged entries on literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual issues and numerous other topics Entries are written by distinguished authorities and cite works for further reading and the encyclopedia closes with a selected general bibliography Students in social studies history and literature classes will welcome this book s illumination of American cultural diversity LGBTQ Americans have endured many struggles and during the last decade in particular they have made tremendous contributions to our multicultural society Drawing on the expertise of numerous expert contributors this book gives students and general readers a current overview of contemporary LGBTQ American culture Sweeping in scope the encyclopedia looks at literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual practices and various other areas Entries cite works for further reading and the encyclopedia closes with a selected general bibliography While extensive biographical entries give readers a sense of the lives of prominent lesbian gay bisexual transgender and queer Americans the many topical entries provide full coverage of the challenges and contributions for which these people are known The encyclopedia supports the social studies curriculum by helping students learn about cultural diversity and it supports the literature curriculum by helping students learn about LGBTQ writers and their works

The Queer Bible Commentary, Second Edition Mona West,Robert E. Shore-Goss,2022-09-30 First published over ten years ago The Queer Bible

Commentary brings together the work of several scholars and pastors known for their interest in the areas of gender sexuality and Biblical studies Contributors draw on feminist queer deconstructionist utopian theories the social sciences and historical critical discourses The focus is both how reading from lesbian gay bisexual and or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect LGBTQ communities This revised 2nd edition includes updated bibliographies and chapters taking into account the latest literature relating to queer interpretation of scripture

Jewish/Christian/Queer Frederick Roden,2016-05-06 At a time when major branches of Judaism and most Christian denominations are addressing the relationship between religion and homosexuality Jewish Christian Queer offers a unique examination of the similarities between the queer intersections of Judaism and Christianity and the queer intersections of the homosexual and the religious This volume investigates three forms of queerness the rhetorical theological and the discursive dissonance at the meeting points between Christianity and Judaism the crossroads of the religious and the homosexual and the intersections of these two forms of queerness namely where the religiously queer of Jewish and Christian speech intersects with the sexually queer of religiously identified homosexual discourse Including essays on literature and literary theory Christian theology Biblical Rabbinic and Jewish studies queer theory architecture Freud gay and lesbian studies and history Jewish Christian Queer will have a truly interdisciplinary appeal

Misguided Love Charles Fensham,2019-11-01 The invitation of this book is for my readers who are Christian to consider the dimension of harm in the ongoing debates on affirming or not affirming sexual and gender minority Christians within church communities Much has been said and much is

written on biblical interpretation and Christian traditions of teaching There are also many arguments on the issue of justice and equality that have been made for and against the affirmation of sexual and gender minorities Here I bring evidence of the history of harm and the infliction of harm on sexual and gender minority Christians In South Africa my country of origin I lived through the apartheid era and experienced first hand how biblical teaching can be used in pious ways to exploit discriminate and kill people Presently and in the past similar things happen to sexual and gender minority Christians When we discover that we do harm we must stop Charles Fensham **Racism and the Making of Gay Rights** Laurie Marhoefer,2022-04-27 In 1931 a sexologist arrived in colonial Shanghai to give a public lecture about homosexuality In the audience was a medical student The sexologist Magnus Hirschfeld fell in love with the medical student Li Shiu Tong Li became Hirschfeld s assistant on a lecture tour around the world Racism and the Making of Gay Rights shows how Hirschfeld laid the groundwork for modern gay rights and how he did so by borrowing from a disturbing set of racist imperial and eugenic ideas Following Hirschfeld and Li in their travels through the American Dutch and British empires from Manila to Tel Aviv to having tea with Langston Hughes in New York City and then into exile in Hitler s Europe Laurie Marhoefer provides a vivid portrait of queer lives in the 1930s and of the turbulent often forgotten first chapter of gay rights The sexual life of our time: a complete encyclopaedia of the sexual Iwan Bloch,1937
