**Big Money With Your Book ...Without Selling A Single Copy!** Trevor Crane, 2017-10-24

Let's begin this with total transparency Most people don't make a lot of money with their book The average self-published author makes less than 100 per year The average U.S. nonfiction book is now selling less than 250 copies per year and less than 2,000 copies over its lifetime Very few titles are big sellers Only 62 of 1,000 business books released in 2009 sold more than 5,000 copies according to an analysis by the Codex Group New York Times March 31, 2010 A book has far less than a 1% chance of being stocked in an average bookstore There are thousands of titles competing for that limited shelf space What if your book becomes a bestseller Most people think that once that happens your book will take off Then you'll be in demand for interviews and everyone will just magically just come buy your stuff and you'll be famous right Wrong If you build it they will come Only worked for Kevin Costner in the Field of Dreams And Shoeless Joe Jackson is probably not your target audience The TRUTH is You need to have a system in place i.e. products and services or a business to monetize your book What happens if you don't Well not much And that's the problem Inside this book you will learn 4 specific strategies THAT YOU CAN USE to make 6-7 figures with your book Yeah and you can do them WITHOUT selling a single copy of your book Inside this book you'll learn the BIG SECRETS from interviews with authors who are using these strategies RIGHT NOW to grow a massive INCOME and make a difference Your book could and should become one of your most powerful marketing tools Get it now and learn how you can start making money with your book today BONUS You'll actually discover many more than 4 strategies for you to make money with your book But Shhhhhh don't tell anybody MORE in this book If you know you have a book or books inside you here you will learn not only how to get that message and those ideas into the right book and get it published but more importantly how to Turn it into your most powerful marketing tool If you have doubts or question that you have what it takes to write a book and find the idea of writing one daunting this book will replace your doubts and questions with practical advice and motivation Whether you want to make it hit BESTSELLER lists or just sell more of your products or services this book will help give you a competitive advantage that makes it easier to do so INSIDE WHY having a book is your best marketing tool HOW to build authority and credibility with a book STEP BY STEP how to turn your book into your ultimate Lead Generation Tool NINJA strategies to use your book to bypass gatekeepers and get it into the hands of your Ideal Client MEDIA secrets for authors that gets you tons of Free Publicity HOW to use your book to get more profitable Speaking Engagements And so much more WHAT THIS BOOK IS NOT This book is NOT a formula to get rich quick This book is NOT going to magically make you successful This book is NOT for people who are not willing to do the work This book

WILL show you a simple path that you can follow But it will take your hard work and follow through to make it happen You can do it And this book will help you But it will not do it for you However do the work and you ll wish you had read this book YEARS ago      **Start With a Win** Adam Contos,2021-10-19 Strengthen your leadership skills and achieve success at work and at home with advice from a proven business leader In Start with a Win Tools and Lessons to Create Personal and Business Success CEO of RE MAX Holdings Adam Contos delivers a powerful exploration of how leaders process information and lead boldly especially or even during times of crisis Packed with the practical lessons he learned as the leader of one of the most recognized real estate brands in the world the book shows you how leaders recognize emotion chaos and fear and transform those negatives into opportunity Whether you lead a team of one yourself ten or 10 000 and up you ll also find actionable advice on How to develop effective leadership skills by seeking out situations that require you to practice leading Avoiding the experience of becoming overwhelmed by relying on time tested frameworks to organize your thinking during stressful situations Overcoming fear and self doubt by recognizing that your doubts are only as powerful as you think they are Perfect for executives managers and other business leaders Start with a Win is an indispensable resource for entrepreneurs seeking to clarify and accomplish their goals      **First Class Fatherhood** Alec Lace,2022-04-12 Did you know

**Hardcore [C]loser** Ryan Stewman,2015-08-14 This isn t some Rah Rah bullshit book that s designed to make you feel good about having a fucked up life I wrote this book to show those of you out there that are in the struggle what s possible if you work for it Nothing in life is free Everything costs money or time Allow me to save you both by reading this book Some of the stories you will read in this book will be hard to believe but they are true nonetheless I ve replayed many of these scenes and scripts in my mind a thousand times trying to figure out how in the hell things went down the way they did At age seven I was adopted by my step dad at age eight I was put to work by my step dad at age 17 I dropped out of school at age 21 I was in prison at 23 divorced at 24 I filed for bankruptcy at 27 I was in federal prison again at 28 I was divorced a second time and

at 35 divorced a third time And that s just the 50 000 foot view This book will explain it all and how it was all part of a plan from the universe to push me out of my comfort zone and into the hands of everyday winners like you I wrote this book to show those who are oppressed with their past that it doesn t matter if you can develop skills The timelines may not be exact so just go with the flow and enjoy the story It s about the big picture not a timeline of when shit went down Look at each chapter as its own individual story When it happened is not really as important as the fact that it did happen Join me as I share my journey and all of the ups and downs it took me on with you Oh and for protection purposes the names of people have been changed Also if you re a cop or government entity this is all entirely fiction so chill
