Each lesson includes new and updated content including one hour of study including a concisely written fact sheet explaining an important homecare-specific topic, a descriptive homecare-specific case study, supplemental learning activities, a 10-question posttest to measure aides' understanding and validate their comprehension of the subject matter, an attendance log, and a certificate of completion to document staff training hours.

Home Care Nursing Delegation Skills Ruth I. Hansten, Marilyn J. Washburn, Virginia Kenyon, 1999. An essential reference for nursing students in developing and implementing the competencies necessary in caring for critically ill patients. Synergy for Clinical Excellence. The AACN Synergy Model for Patient Care enhances the understanding of The Synergy Model in practice. Based on a decade of work by the American Association of Critical Care Nurses, the text encompasses the history and development of the nurse and patient characteristic inherent in The Synergy Model and then thoroughly addresses each characteristic individually and applies the model in practice. Includes sample test questions relevant to the model that will assist nursing students in preparing for certification through AACN and provide further examples of the integration of the Synergy Model in practice.
