The Complete Home Learning Enablers and Other Helps Cynthia C. Jones Shoemaker PhD, 2015-05-15 Good solid information is hard to get How hard is it for you to come up with ideas to boost learning for children at home Dont be taken in by expensive educational materials and toys that might not be up to date age appropriate or geared toward your childs learning style A childs most important first teacher is the parent With our preschool primary and upper grades programs we involve the parents in the individual educational needs of their child or children Please take some time to review the materials and learn more about simple educational materials and tools that you can use with your children at home to boost their IQ and vocabulary This program only requires a few minutes each day too as often as you would like *Resources in Education* ,1997 **Learning Enablers Manual** Cynthia C. Jones Shoemaker Ph.D., 2015-04-28 This book is about the age range from eight years to fourteen years old It takes the reader from the more inward seven year old to the expansive eight year old and then into the nine eleven thirteen fifteen year age range that alternates inward and outward moody and expansive in the young person All through these ages they are learning and this manual has additional ideas for each age and stage plus materials for teachers and group leaders Too much information TMI is thrown at these ages about what it means to be a teenager or tweenager Some handle this information overload and transition period by withdrawing and becoming crabby However regardless of social and emotional issues their learning abilities are still sharp and keen and welcome the more ideas in these manual activities that are sequenced by age level These enablers only take a few minutes at a time and can boost vocabulary and knowledge categories for young people especially with the Around the World section
