even questioning if it's actually helpful. But I'm here to help you change this. In *The Only Study Guide You'll Ever Need* I'll cover a range of different topics including How to get started and pick up that pen, Learning techniques that actually work, the science of memory, The dos and don'ts of timetabling, And combatting fear of failure, perfectionism, exam stress, and so much more. As a fellow student now at university, I definitely don't have a PhD in Exam Etiquette, but this is the book you younger me needed. All I wanted was one place that had a variety of tried and tested methods with reassurance from someone who had recently been through the education system. *The Only Study Guide You'll Ever Need* is just that, and I have collected the best techniques and tools I wish I'd known earlier to help you get through your studies and smash your exams.
