

# Guided Journey Through The 6 Affirmations of Gratitude & Trust

This guided meditation is built on the Six Affirmations described in detail in the Book *Gratitude and Trust: Six Affirmations That Will Change Your Life* published by Blue Rider Press and written by Paul Williams and Tracey Jackson.

I have known Paul for number of years, and he and Tracey have written a wonderful, thoughtful and entertaining book that resonates with humility and insight on how to identify and change things in your life through the use of these affirmations.

I was inspired to create this recording in the hopes that it would help readers of the book by giving them this approach to understanding, accepting and integrating these powerful affirmations. I also hope that those who might come to these affirmations through this recording would be inspired to explore the book itself.

"This amazing book is about a revolutionary concept—reciprocity for the soulless—for those who have longed for a spiritual path, healthy company, and a life light to see by." —Anne Lamott
