Regulation of Sexual Conduct in UN Peacekeeping Operations Olivera Simic, 2012-05-25 This book critically examines the response of the United Nations UN to the problem of sexual exploitation in UN Peace Support Operations It assesses the Secretary General's Bulletin on Special Protection from Sexual Exploitation and Sexual Abuse 2003 SGB and its definition of sexual exploitation which includes sexual relationships and prostitution With reference to people affected by the policy using the example of Bosnian women and UN peacekeepers and taking account of both radical and sex positive feminist perspectives the book finds that the inclusion of consensual sexual relationships and prostitution in the definition of sexual exploitation is not tenable The book argues that the SGB is overprotective relies on negative gender and imperial stereotypes and is out of step with international human rights norms and gender equality It concludes that the SGB must be revised in consultation with those affected by it namely local women

and peacekeepers and must fully respect their human rights and freedoms particularly the right to privacy and sexuality rights Family and Support Systems across the Life Span Suzanne K. Steinmetz, 2013-06-29 *The Sexual Life of Our Time in Its Relations to Modern Civilization* Iwan Bloch, 1909 **The Theatre of Love, Sex, Marriage and Beyond** Gaglozoo H. A. Berdie, 2016-04-25 It is through a deep reflection that I have been able to frame the title of this book which is *The Theatre of Love Sex Marriage and Beyond* In fact the contents of this book take their roots from the title This book is designed to cover as much as possible a substantial number of the various aspects of the subjects I have discussed as dealt with specifically by the innumerable authors at one time or the other It is without the slightest doubt that not all or every aspect of the subjects of love sex and marriage written or propounded by authors researchers psychologists sexologists and medical scientists can be found in one book These different and innumerable ideas theories hypothesis and research findings are as scattered in uncountable books articles newsprints or papers and magazines I will in all honesty admit that what I have attempted to do in this book is only a tip of the iceberg considering the infinitude of the intellectual input and output of others in the myriad of data on the subject I have divided this book into four parts love sex marriage and the beyond These notwithstanding I hope this humble rendition however inadequate would give readers a general overview of the essentials of these enigmatic subjects of love sex marriage and the beyond *Every Body's Story* Branson Parler, 2022-10-11 Every story entails a way of life and how every way of life implies a big story In *Every Body's Story* Branson Parler focuses on three predominant myths of sexuality in our secular age individualism romance and materialism and three dominant myths in Christian circles anti body theology legalism and the sexual prosperity gospel exploring how those stories shape our practice Our views of sexuality and our practices around sex are never just about sex How we use and view our bodies reveals who what we think God is or is not and who we are If we truly understand the biblical logic of marriage sexuality and singleness that they are meant to embody the gospel then we will better understand why this witness is so vital As God's self giving faithfulness is put on display by both married and single Christians those formed by our secular age will have to ask What if it's true What if there's more What if God really does love us that much Rather than viewing our sexuality as an isolated matter of ethics we can see how the gospel places our sexuality in the context of God's rescue mission of the world
