# Isaiah Tyndale Old Testament Commentaries

**Eric J. Tully**

## **Isaiah Tyndale Old Testament Commentaries:**

**Isaiah** Alec Motyer, 2015-01-01 The book of Isaiah is perhaps the most compelling of all Old Testament prophecy. No other prophet rivals Isaiah's brilliance of style, powerful imagery, and clear vision of the messianic hope. Unlike many commentators who divide Isaiah between chapters 1-39 and 40-66, J. Alec Motyer instead identifies three messianic portraits: the King (1-37), the Servant (38-55), and the Anointed Conqueror (56-66). These three portraits are expounded in Motyer's lucid, insightful, and probing commentary. **Tyndale Old Testament Commentaries: Isaiah** J. A. Motyer, 1999 **Isaiah** J. A. Motyer, 1999 J. Alec Motyer, a lifelong Isaiah scholar, provides a lucid and insightful exposition of the book of Isaiah, identifying three messianic portraits: the King, the Servant, and the Anointed Conqueror. Motyer challenges traditional divisions of this compelling Old Testament book of prophecy. The Tyndale Old Testament Commentaries, 1999 Isaiah Paul D. Wegner, 2021-07-06 No other prophetic book rivals Isaiah's clear message, powerful imagery, and confident hope in God's future deliverance. In this thorough and accessible Tyndale commentary, Paul Wegner explores the background, structure, and themes of Isaiah, highlighting the unified message of the book, including its three introductions paired with its three refrains.

The Old Testament Prophetic Books Israel P. Loken, 2010 The Old Testament Prophetic Books: An Introduction is a valuable reference tool designed for those students who want a comprehensive guide to the Old Testament prophetic books. The book serves primarily as an introduction, providing a thorough discussion of introductory matters such as authorship, date, historical background, purpose, structure, and outline. The book also functions as a sort of survey handbook, providing a summary of the contents of each book, accompanied by helpful background information such as the meaning of character's names and the dates of significant events. Finally, the book acts as a study guide, providing a series of study questions at the end of each chapter for review and discussion. Israel P. Loken is Chair and Professor of the Bible and Theology Departments at College of Biblical Studies. He is also Adjunct Professor of Bible Exposition at Dallas Theological Seminary. He previously taught at Dallas Christian College. Dr. Loken has earned degrees from Lancaster Bible College (B.S.) and Dallas Theological Seminary (Th.M. and Ph.D.). He is a frequent speaker at churches, conferences, and schools. He is the author of the Loken Expository Commentary series. Dr. Loken and his wife, Kimberley, live in Houston, TX. **Nelson's New Illustrated Bible Commentary** Thomas Nelson, 1999-05-13 A comprehensive verse-by-verse commentary for lay Bible students, fully highlighted by articles, maps, charts, and illustrations, all in one volume. Clear and Comprehensive Annotations by leading evangelical scholars don't dodge tough issues; alternative views are presented fairly, but commentators make their positions clear. Attractively Designed Graphics appeal to the sound-bite generation and others who aren't traditional commentary readers. Interesting and Revealing Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background. Visually Appealing Maps, drawings, and photos illuminate the commentary and visualize important information. **The Power of Hope** Deborah L. Roeger, 2023-03-15 When you speak of hope, do you use the world

s definition or the biblical meaning Did you know God designed hope to empower our lives On what do you base your hope as a Christian In this second book under the Lost in Translation imprint Deborah Roeger examines scripture in the light of hope In doing so she takes the reader through a meaningful study of all aspects of a Christian s hope Yet this study is much more than that As you learn about the truth of biblical hope you will discover how understanding hope helps you appreciate and apply the teachings of scripture more effectively both in your life and in the life of your church There are 21 individual word studies looking at key words in scripture that relate to hope and its application along with an appendix explaining how to do word studies Easy to understand guidance is provided to help avoid common pitfalls and make word studies more effective in your study This book uses an extensive bibliography and is comprehensively referenced with hundreds of detailed footnotes The footnotes provide the reader with the opportunity to walk through the steps the author has taken in studying this subject It s a treasure trove for modern Bereans who want to search the scriptures every day to see whether these things were true Acts 17:11 This book is well suited for group study but can also be read and studied individually It is a valuable resource for Christian education classes wanting to dig deeper into the subject of biblical hope as it is presented in God s Word

**Old Testament Theology** Paul R. House, 2012-11-30 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon Student friendly and useful to a wide audience this impressive work has proved a profitable read for many

New Perspectives on Old Testament Prophecy and History Rannfrid I. Thelle, Terje Stordalen, Mervyn E.J. Richardson, 2015-05-19 In New Perspectives on Old Testament Prophecy and History colleagues students and friends of Hans M Barstad offer essays in honour of his esteemed career in biblical studies Contributions on prophecy include the debate on prophets as historical figures the biblical books of Isaiah Ezekiel Hosea Amos and Micah and issues of methodology and interpretation Essays devoted to history address various historiographic issues as well as specific historical topics such as the monarchy in ancient Israel the relationship of Judah to Edom and the ritual of reading the law In ways that reflect Hans Barstad s innovative insights and methodological critiques this collection of essays probes beyond the oft trodden paths of biblical studies and challenges the status quo within the field

The IVP Bible Background Commentary: Old Testament John H. Walton, Victor H. Matthews, Mark W. Chavalas, 2012-11-15 This unique commentary provides historical social and cultural background for each passage of the Old Testament From Genesis through Malachi this single volume gathers and condenses an abundance of specialized knowledge and includes a glossary maps and charts and expanded explanations of significant background issues

**Invitations to Abundance** Alicia J Akins, 2022-03-01 What do the feasts of the Bible reveal about our place in today s tired world In short everything From Genesis through Revelation redemptive history is captured through feasts Through them God calls his people to commemorate mercy delight in grace and commune with him and with each other In the process he proves he doesn t ration his rich soul satisfying love toward us

but instead lets it overflow Invitations to Abundance brings to life the festivities described in the Bible and illuminates how relevant they remain in a modern world defined by isolation and disillusionment When your heart needs encouragement these wondrous celebrations remind you why where and how you can find security unity and hope Each chapter seats us at a unique feast from Scripture from the well known to the less familiar and considers how you can respond worshipfully as a partaker of these celebrations Invitations to Abundance shows you how to reciprocate God s initiating kindness and what it means to live knowing God s table is spread before you      Show Me Your Glory Rebecca G. S. Idestrom,2023-02-10 What does Scripture mean when it speaks of the glory of God The answer to this question is not as straightforward as we might think In Show Me Your Glory Rebecca Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God s glory While exploring this biblical theme she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book She also considers the different key words used for glory as well as the many diverse images and themes connected to God s glory This thematic investigation demonstrates that the Old Testament Scriptures present a deeply profound and multifaceted portrait of the glory of God Although it is impossible to fully capture what the Bible says about God s majestic glory Show Me Your Glory yields many wonderful insights into its depiction meaning and significance resulting in a deep and rich biblical theology of divine glory      *The Doctrine of the Covenant of Redemption According to John Gill (1697-1771)* Wang Yong Lee,2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697 1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e g the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ      **Reading the Prophets as Christian Scripture (Reading Christian Scripture)** Eric J. Tully,2022-03-29 This survey textbook is grounded in the view that the prophetic books of the Old Testament should be read as Christian Scripture Although it covers critical issues such as authorship background and history its primary focus is on the message and theology of the prophetic books and the contribution they make to the Christian canon Particular attention is given to literary issues such as the structure of each prophetic book Full color illustrations diagrams and artwork bring the text to life Additional resources for instructors and students are available through Textbook eSources      *The Gentile Mission in Old Testament Citations in Acts* James A. Meek,2009-04-23 Scholarship on the uses of the Old Testament in Luke Acts has tended to focus upon the role

played by the Old Testament in the development of the author's Christology James Meek however draws out the theme of the Gentile mission in Acts as it relates to the Old Testament and gives particular attention to four texts 13 47 Isa 49 6 15 16 18 Amos 9 11 12 2 17 21 Joel 3 1 5 MT 3 25 Gen 22 18 The quotations in Acts 13 and 15 receive greater attention because they explicitly address the issue of the Gentile mission the two earlier texts anticipate it and because of particular interpretive questions raised by these texts Meek argues that while there are similarities in the quotations in Acts with the Old Greek form of the cited texts the argument never depends on distinctive readings of the Old Greek He therefore rejects claims that the author's use of Old Testament texts is dependent entirely on the Old Greek He also maintains that all four quotations are used in a manner consistent with their sense in their original contexts contrary to the common assertion that the New Testament commonly cites Old Testament texts without regard for original sense or context His third principal argument is that these Old Testament quotations function as proof from prophecy contrary to the argument of some In particular they are cited to demonstrate the legitimacy of the Gentile mission as conducted by the early church and of the Gentiles place among the people of God showing these ideas to be central to the author's purpose

**Vessels of Wrath, Volume 1** Richard M. Blaylock, 2023-08-17 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In *Vessels of Wrath* Richard M Blaylock tackles the thorny subject of divine reprobating activity

**DRA Through an exhaustive biblical theological study of the Old and New Testaments Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity**

**NET Bible, Full-notes Edition, Cloth over Board, Gray, Comfort Print** Zondervan, 2019-10-01 Ever feel lost in translation With the NET Full notes Edition of the Holy Bible you don't need to be Modern readers can find it challenging to connect with the ancient words and cultural contexts of the biblical writers The NET offers a completely new solution pairing a readable everyday English translation with the largest set of translators notes ever created for a Bible The NET's 60 000 notes bring complete transparency to every major translation decision and invite you to look over the translators shoulders allowing you to come to your own understanding of the Scriptures It is an indispensable resource for every Bible reader Features include The newest complete English translation based on the most up to date manuscript discoveries and scholarship A translation that explains itself over 60 000 translators notes offer unprecedented transparency Full color maps Durable Smyth sewn binding lays flat in your hand or on your desk 8 75 point print size Scripture text in Thomas Nelson's exclusive NET Comfort Print typeface

**My Dwelling Place** Deborah L Roeger, 2024-04-16 The concept of God's presence is deeply embedded in

Christian teaching from God's presence in the Garden of Eden through the hope of God's presence in the New Earth. But what does it mean? Many Christians find it difficult to explain what is meant by God's presence. We hear of God being especially present in a worship service or of specific places where God's presence is expected by the pilgrims who travel there. We know that God's presence was somehow in the tabernacle and will be part of the new earth when Jesus returns. It is also taught that God is omnipresent, that is, present everywhere and always. But what is God's presence? What does it take for Him to dwell among His people and why does it matter? In this third volume under the Lost in Translation imprint, Deborah Roeger applies her in-depth and detailed yet extremely practical approach to Bible study to look at God's presence in its many forms and manifestations from the creation to the restoration of God's creation. As she traces God's dwelling presence through the pages of Scripture, she looks thoughtfully at what God requires of us so He can be present among us. In the process, she provides a thematic look at the whole of Scripture that can be used as a guide to study other topics with full attention to the overall context of the story we find in Scripture. It is the story of God who created for His glory and longs for the restoration of His dwelling presence among His creation. This understanding of the broad context will help you put other events in their proper place in the history of God's plan of salvation. My Dwelling Place is not just an explanation of biblical terms. It is first of all an explanation of what it takes for God to come and dwell among us. It is then a call to take up our mission and the gifts God has given us and to learn to practice His presence at all times. As in each volume in this series, there is a valuable added resource in the appendix discussing how to do word studies and how to use both available tools for Bible study and to take the context of each passage seriously when doing so. This study can be read individually, but it is especially valuable as a resource for small group study or for a transforming church-wide study.

*Messianic Revelation in the Old Testament* Gerard Van Groningen, 1997-07-16. Books by evangelical scholars on messianism in the Old Testament are either outdated, too brief, or lack balance, observes the author. *Messianic Revelation in the Old Testament* represents the most thorough conservative analysis of the century. Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures. He first introduces the messianic concept, defining its terms and uncovering its source. He finds these messianic presentations rooted in and shaped by divine revelation. The major part of this volume explores messianism's philological, historical, and theological aspects. The result of this study, writes the author, reveals that the messianic concept refers to a royal, priestly, prophetic person and his work. Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation. The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach from exegesis of the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths. In the words of the author, "To omit one element is to do injustice to the Old Testament." Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study. A Scripture index helps one to locate the author's exegetical insights on various passages. An index of

persons concludes the work

## Unveiling the Magic of Words: A Review of "**Isaiah Tyndale Old Testament Commentaries**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Isaiah Tyndale Old Testament Commentaries**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
