Bock, Mitch Glaser, 2018-04-24 The relationship between the church and Israel has been the source of passionate debate among Christians throughout much of church history In recent years the traditional pro Israel stance of evangelicals has come under fire by those who support the Palestinian cause calling for a new perspective and more nuanced approach by Christians who believe that the land of Israel belongs to the Jewish people by virtue of God's covenants and promises Israel the Church and the Middle East challenges the supersessionist drift of the modern church showing that God retains a plan and purpose for the Jewish people while also addressing a number of the divisive issues raised by authors critical both of Israel and of those who affirm Israel's right to the land The book explores the hermeneutics and wider effects of the conflict such as the growing antipathy within the church toward the evangelization of the Jewish people It provides readers with an objective and interdisciplinary treatment which is irenic and respectful in tone The book is directed toward pastors global Christian leaders theological students and well read lay Christians who are actively seeking guidance and resources regarding the Middle East conflict The contributors represent a broad evangelical spectrum *National Union Catalog*, 1953 Israel Noa Tishby, 2022-09-20 A personal spirited and concise chronological timeline spanning from Biblical times to today that explores one of the most fascinating countries in the world Israel *Union Catalog of the Graduate Theological Union* Graduate Theological Union.
