No Place Like Motorhome Lisa Mills, 2020-05-31 City girls LOVE country boys right When a country loving bachelor gets a rude introduction to a cultured sophisticated city girl they instantly clash But as they re thrown together time and again they realize their two worlds might not be as far apart as they initially thought Meet Darcy As Darcy Granger finishes her graduate degree and looks for employment her parents make the inexplicable decision to abandon successful careers lease their New York City apartment and purchase a motorhome to become full timers As a young adult she should be eager to start her own life but her wounded inner child mourns that her safety net has been pulled away and there s no nest for her to fly back to To make the transition easier her parents invite her to stay with them while she looks for a job as a research librarian Born and raised in New York City Darcy struggles to acclimate to the campy lifestyle her parents have adopted They drag her out on rural excursions where high heeled shoes dare not go and forms of outdoorsy torture lurk around every bend in the road Then there s Marc Marc Fitzsimmons is a twenty seven year old writer who roams the country pulling a travel trailer behind his pickup truck and penning articles for magazines He loves living a casual life on the go seeing new sights and meeting new people at every stop The career he s chosen feeds his adventurous soul and fills him with satisfaction but it s definitely made it difficult to date He s almost given up the idea of marrying and having children knowing the odds of finding a woman who wants to share his lifestyle are slim to none When these two meet on the campground sparks fly but as they get to know one another those sparks ignite a flame in their hearts that is hard to ignore A lighthearted clean romance novel
