Grassroots School Reform K. Farnsworth, 2011-01-18 This book walks community activists through the rationale for assuming local responsibility for academic performance outlines steps needed to drive that change and suggests curricular direction and school policy requirements **Iowa Alumni Magazine** ,2011 *Resources in Education* ,1999-10 *Taking Responsibility for Ending Social Promotion* ,1999 **Charter Schools, Race, and Urban Space** Kristen L. Buras, 2014-07-17 Charter schools have been promoted as an equitable and innovative solution to the problems plaguing urban schools Advocates claim that charter schools benefit working class students of color by offering them access to a portfolio of school choices In *Charter Schools Race and Urban Space* Kristen Buras presents a very different account Her case study of New Orleans where veteran teachers were fired en masse and the nation's first all charter school district was developed shows that such reform is less about the needs of racially oppressed communities and more about the production of an urban space economy in which white entrepreneurs capitalize on black children and neighborhoods In this revealing book Buras draws on critical theories of race political economy and space as well as a decade of research on the ground to expose the criminal dispossession of black teachers and students who have contributed to New Orleans culture and history Mapping federal state and local policy networks she shows how the city's landscape has been reshaped by a strategic venture to privatize public education She likewise chronicles grassroots efforts to defend historic schools and neighborhoods against this assault revealing a commitment to equity and place and articulating a vision of change that is sure to inspire heated debate among communities nationwide **National Guide to Funding for Community Development** ,1998 **American Book Publishing Record** ,1985 *Governing Cities in a Global Era* R. Hambleton, 2007-11-26 This book is about the role that ideas institutions and actors play in structuring how we govern cities and more specifically what projects or paths are taken Global changes require that we rethink governance and urban policy and that we do so through the dual lens of theory and practice *Guide to Funding for International & Foreign Programs* Sara Wyszomierski, 2006-05 Grantmakers featured in this Guide provide funding for international relief disaster assistance human rights civil liberties community development conferences and education This Guide includes more than 1 400 grantmakers and 9 300 sample grants **National Guide to Funding in Higher Education** ,1996 **Community & Public Health Nursing: Promoting the Public's Health** Judith Allender, Cherie Rector, Cherie Rector, PhD RN-C, Kristine Warner, Kristine Warner, PhD MS MPH RN, 2013-04-26 Community Public Health Nursing is designed to provide students a basic grounding in public health nursing principles while emphasizing aggregate level nursing While weaving in meaningful examples from practice throughout the text the authors coach students on how to navigate between conceptualizing about a population focus while also continuing to advocate and care for individuals families and aggregates This student friendly highly illustrated text engages students and by doing so eases students into readily applying public health principles along with evidence based
