Irregular Migration And Invisible Welfare

Maurizio Ambrosini (a cura di)

Irregular Migration And Invisible Welfare:

Irregular Migration and Invisible Welfare M. Ambrosini, 2016-04-30 Focusing on care workers for the elderly this book examines the paradoxical position of irregular migrants in European society who are often labelled as illegal residents but who in fact provide much needed essential support to welfare systems

Irregular Migration and Invisible Welfare M. Ambrosini, 2014-01-14 Focusing on care workers for the elderly this book examines the paradoxical position of irregular migrants in European society who are often labelled as illegal residents but who in fact provide much needed essential support to welfare systems

Research Handbook on Irregular Migration Ilse van Liempt, Joris Schapendonk, Amalia Campos-Delgado, 2023-03-02 Moving away from state categorizations on irregular migration this Research Handbook critically examines processes and dynamics that generate and reproduce irregularity and discusses who may count as an irregular migrant

Irregular Migration Maurizio Ambrosini, Minke H.J. Hajer, 2023-05-15 This open access short reader provides an introduction to the theoretical debates regarding irregular migration and aims to bridge these theoretical debates to current empirical developments It defines irregular migrants and irregular migration by discussing the wide variety of definitions and highlights the reasons for the presence of irregular immigrants in developed countries The book provides an overview of the variation in policies regarding irregular migrants and elaborates on how irregular migration is facilitated and supported It discusses the trends and dynamics between border enforcement human smuggling trafficking and on the support irregular migrants obtain by citizens and civil society while residing in the EU Last but not least the book also focuses on the agency and political mobilization of irregular migrants As such it provides a great resource for everyone interested in learning more about irregular migration

Irregular Immigration in Southern Europe Maurizio Ambrosini, 2018-01-05 Focusing on the dynamics of irregular immigration in Southern EU Member States this book analyses how the phenomenon is managed at national and local levels in different legal and political systems In doing so it answers vital policy questions regarding the continued existence of irregular migration pathways to legality and relations between unauthorized migrants and receiving societies The author argues that while the economic crisis and migrant flows coming from the South and East of the Mediterranean Sea have called this regime into question it is the needs of labour markets in Southern Europe and compliance with European Union rules that has had a more dominant effect The particular manner in which labour markets political actors social institutions and migrants networks intersect are shown to be distinctive features of the migration regime in this region Describing bordering and debordering practices from the island of Lampedusa to local communities in distant regions this book brings fresh insights to urgent areas of debate within the field It analyses why many irregular immigrants are socially accepted such as women who perform domestic and care activities whereas others are rejected and marginalized as is often the case for asylum seekers despite having permission to reside Drawing together twenty years of research and addressing the current crisis it will appeal to policy makers students and scholars of migration

Routledge Handbook of Immigration and Refugee Studies Anna Triandafyllidou, 2022-12-30 The Routledge Handbook of Immigration and Refugee Studies offers a comprehensive study of the multi disciplinary field of international migration and asylum studies The new edition incorporates numerous new chapters on issues including return migration the relationship between urbanisation and migration the role of advanced digital technologies in migration governance decision making and human agency and the COVID 19 pandemic and its impact on global migration Utilising contemporary information and analysis this innovative Handbook provides an in depth examination of the major analytical questions pertaining to migration and asylum whilst discussing key areas such as work welfare families citizenship the relationship between migration and development asylum and irregular migration With a comprehensive collection of essays written by leading contributors from different world regions and covering a broad range of disciplines including sociology geography legal studies political science and economics the Handbook is a truly multidisciplinary reader Organised into thematic and geographical chapters the Routledge Handbook of Immigration and Refugee Studies provides a concise overview on the different topics and world regions as well as useful guidance for both the starting and the more experienced reader The Handbook's expansive content and illustrative style will appeal to both students and professionals studying in the field of migration and international organisations

Migration Patterns Across the Mediterranean Adelina Miranda, Antía Pérez-Caramés, 2023-05-09 With contributions from leading scholars in Southern Europe this compelling book demonstrates the plurality of migratory circumstances and analyses the significance of the Mediterranean migration model Highlighting the challenges of studying the variability and heterogeneity of migratory patterns in the Mediterranean this insightful book provides a comprehensive examination of the variations of spatial temporal scales and sedimentation of different migratory configurations

Migration in the Mediterranean Elena Ambrosetti, Donatella Strangio, Catherine Wihtol de Wenden, 2016-05-26 Migration in the Mediterranean region is a widely debated and much studied topic This is due to the present refugee crisis consequences of Arab revolutions the proximity with emigration and transit countries but also to the involvement of southern European countries and the mass arrival of migrants The management of Border controls migration development human trafficking human rights and the clash or convergence of civilizations has generated a great deal of controversy and media attention Migration in the Mediterranean offers a unique multidisciplinary theoretical and methodological framework bringing together scholars from different subject areas This book aims to address the following research questions What are the main characteristics of migration movements in this region What are the most important theoretical challenges What are the perspectives for the future This book begins with an overview of the economic perspective of the Mediterranean migration model with a particular focus on labour market outcomes of migrants It then presents the original results of field studies on the unintended effects of the EU's external border controls on migration and integration in the Euro Mediterranean region before addressing the themes of mobility migration and transnationalism This volume focuses on

migration with a multidisciplinary approach with scholars from various areas including sociology economics geography political science and history This book is well suited for those who study international economics migration and political sociology *Towards a Systemic Theory of Irregular Migration* Gabriel Echeverría,2020-03-25 This open access book provides an alternative theoretical framework of irregular migration that allows to overcome many of the contradictions and theoretical impasses displayed by the majority of approaches in current literature The analytical framework allows moving from an interpretation biased by methodological nationalism to a more general systemic interpretation It explains irregular migration as a structural phenomenon or contemporary society and why state policies are greatly ineffective in their attempt to control irregular migration It also explains irregular migration as a diversified phenomenon that relates to the social characteristics of the context and why states accept irregular migrants By providing new comparative empirical qualitative material which allows to start filling an evident gap in the current research on irregular migration this book is of interest to graduate students scholars and policy makers **Employers, Agencies and Immigration** Anna Triandafyllidou,Sabrina Marchetti,2017-03-02 Exploring the performance by immigrants of domestic and care work in European households this book places the employer centre stage examining the role of the employer and his or her agents in securing the balance between work family and welfare needs as well as investigating both who the employers are and the nature of their relationships with migrant workers With attention to the dynamics of inequality as class ethnicity and gender become intertwined in a location that is at once home and workplace this volume is organised into sections that deal with the subjectivities of employers and their relationships with their employees in the home the re organisation of welfare and care arrangements at state level and the wider area of migrant domestic and care work with the transformation of the au pair scheme Bringing together the latest empirical work from across Europe *Employers Agencies and Immigration* will appeal to social scientists with interests in migration ethnic and class relations immigrant labour and domestic work and the sociology of the family **Ukrainian Migration to the European Union** Olena Feduk,Marta Kindler,2016-11-02 This book brings together research findings from a variety of disciplines in this integrated study of the migration of Ukrainian nationals to the EU It contextualizes and historicizes this migration against the background of the series of crises experienced by Ukraine and the wider region over the last thirty or so years from the dissolution of the USSR through EU border changes to the failed economic reforms of independent Ukraine The book reviews major publications in a variety of disciplines and in several languages including Russian Ukrainian and English It provides a critical analysis of these authoritative sources linking historical and contemporary texts to establish a longitudinal perspective on migration trends and practices The spatial temporal gender and geopolitical aspects of migration are examined with expert analysis of the implications for economics immigration policies and migration studies The contributors also draw on national and international academic research and country specific data to describe the experience of Ukrainian migration in six European countries Poland the Czech Republic Greece Italy Portugal

and Spain These detailed portraits identify the principal trends and will help researchers policy makers and students to a better understanding of the dynamics of migration flow in the region as a whole A timely volume covering many cases and many facets of Ukrainian mobility in the EU A must have for all libraries Anna Triandafyllidou Robert Schuman Centre for Advanced Studies RSCAS Is Ukraine the Mexico of Europe I once asked It is one of the most eminent migration cases to study This book fills an acute knowledge gap and is a rich and important contribution Franck D vell University of Oxford This collection offers a comprehensive historical and geographical analysis of various migratory patterns from Ukraine to different European countries It is a must read for migration scholars and for anyone interested in this highly topical phenomenon Lena N re University of Helsinki

The Transnationalized Social Question Thomas Faist, 2019 The social question is back Yet today s social question is not primarily between labour and capital as it was in the nineteenth century and throughout much of the twentieth The contemporary social question is located at the interstices between the global South and the global North It finds its expression in movements of people seeking a better life or fleeing unsustainable social political economic and ecological conditions It is transnationalized not only because migrants and their significant others entertain ties across the borders of national states staying in touch with family and friends receiving or sending financial remittances in transnational social spaces Also of importance are cross border recruitment schemes for workers and the cross border diffusion of norms appealed to in the case of migration for example the social right to decent work as a human right Moreover migration can become an issue of inclusion or exclusion in fields important to life chances in the emigration transit or immigration states a transnationalization of national states And as in the nineteenth century political conflicts arise constituting the social question as a public concern In earlier periods class differences dominated conflicts While class has always been criss crossed by manifold heterogeneities not least of all cultural ones around ethnicity religion and language it is these latter heterogeneities that have sharpened in situations of immigration and emigration over the past decades Casting a wide net in terms of conceptual and empirical scope this book tackles both the social structure and the politics of social inequalities It sets a comprehensive agenda for research which also includes the public role of social scientists in dealing with the transnationalized social question

Europe: No Migrant's Land? Maurizio Ambrosini (a cura di), 2017-01-30 The Mediterranean region has always been marked by intense migration flows Over the last few years political instability in Middle East and North African countries coupled with longstanding demographic and economic trends have caused a sudden upsurge of migrants reaching Europe s shores Despite scattered shows of solidarity however the European response has been slow and fragmented This volume offers a complete and encompassing analysis of the current state of play in terms of migration flows across the Mediterranean and policy responses by European transit and receiving countries Attention is specifically devoted to ongoing debates about the management of mixed migration the particular profiles and needs of asylum seekers migrants labour market access and integration policies in Europe

The Immigrant Other Rich

Furman, Greg Lamphear, Douglas Epps, 2016-03-01 The immigrants profiled in *The Immigrant Other* shed light on a system designed to dehumanize and disenfranchise them and they describe the difficulty of finding shelter in an increasingly globalized and unsympathetic world They include Muslims facing discrimination from both the War on Terror and the War on Immigration Latino day laborers Filipino immigrants supporting themselves and their families back home and Brazilian parents terrified of being separated from their naturalized children Immigrants living in Spain Australia Greece and Qatar are also represented showcasing the similarities and differences in the treatment of immigrants worldwide Each chapter in this anthology pairs a description of specific state national and transnational immigration laws and regulations with the testimony of individuals struggling to find legitimacy and sanctuary among them *Taking Vulnerabilities to Labour Exploitation Seriously* Letizia Palumbo, 2024-10-21 This open access book intends to contribute to the debate on migrant labour exploitation by exploring the extent to which the EU and the European countries provide a standard for protecting migrant workers It moves from a socio legal and theoretical perspective and builds on critical studies on vulnerability exploitation trafficking and migrant labour regimes along with relevant feminist theories including theories on social reproduction while also drawing on extensive fieldwork By mobilising the concept of situational vulnerabilities the book critically investigates the assemblage and interaction of factors creating and amplifying migrant workers vulnerabilities to exploitation in the key sectors of agriculture and domestic work The aim is to highlight how situations of vulnerability to exploitation are generated and exacerbated by relevant legal and policy frameworks underlining and questioning the tensions continuities and ambiguities between different regimes such as the regimes regulating labour migration and those intended to combat severe exploitation While at national level the focus is on relevant Italian legal and policy instruments and approaches the book also offers a comparative look at those adopted in the UK This critical analysis considers labour exploitation both in its systemic dimension and as a continuum It sheds lights on how forms of exploitation are associated with different situational vulnerabilities produced by the interplay of personal and structural factors in line with a gender and intersectional approach By engaging an analysis of the ways in which the concepts of exploitation and vulnerability are addressed and formulated in various international European and national legal and policy instruments the study reveals the limitations and ambiguities of applicable legislation and policies The book is a great resource for students and academics in the field as well as legal practitioners and policymakers interested in human rights migration studies labour rights labour exploitation and gender related issues **Migration, Transnationalism and Catholicism** Dominic Pasura, Marta Bivand Erdal, 2017-02-21 This book is the first to analyze the impacts of migration and transnationalism on global Catholicism It explores how migration and transnationalism are producing diverse spaces and encounters that are moulding the Roman Catholic Church as institution and parish pilgrimage and network community and people Bringing together established and emerging scholars of sociology anthropology geography history and theology it examines migrants religious transnationalism

but equally the effects of migration related diversity on non migrant Catholics and the Church itself This timely edited collection is organised around a series of theoretical frameworks for understanding the intersections of migration and Catholicism with case studies from 17 different countries and contexts The extent to which migrants religiosity transforms Catholicism and the negotiations of unity in diversity within the Roman Catholic Church are key themes throughout This innovative approach will appeal to scholars of migration transnationalism religion theology and diversity

Lives in Motion Francesca Decimo, 2024-10-27 This book focuses on global mobility and the worldwide articulation of family life understood as dimensions of social change that come off from the private sphere of individuals and reverberate to the point of transforming the composition of national populations Delving into the interrelation of migration and life courses the volume investigates how individual mobility paths are intertwined with family matters and the way population movements are embedded in a myriad of intimate and household affairs The inquiry is based on qualitative data and specifically focused on the migratory flow between Morocco and Italy through an exploration that encompasses a range of interrelated issues such as transnational marriages intimacy love daily domestic life the formation of second generations and citizenship Providing an exhaustive analysis of such phenomena the book portrays cultural diversity in a nuanced manner and in so doing contributes to de politicize widely stigmatized traits of migrant families

Security Studies Arda Özkan, Göktürk Tüysüzoglu, 2023-07-10 As an important aspect of human polity the concept of security has an important place and space in politics Though regularly mentioned or referred the concept is rarely given a proper definition usually left in the shadows of politics and policymaking and usually referred as a cause to an effect Within the framework of this book classic modern and post modern security issues are analyzed while also focusing on the classical and diverse conceptual dimensions of security current problems are also evaluated especially in the axis of post modern security studies In security studies a distinction is usually made between classical and post modern approaches but in this study both are considered together One of the important features of this work is that it offers a perspective from Turkish experts on the concept of security in international relations

The Oxford Handbook of Italian Politics Erik Jones, Gianfranco Pasquino, 2015-11-05 The Oxford Handbook of Italian Politics provides a comprehensive look at the political life of one of Europe s most exciting and turbulent democracies Under the hegemonic influence of Christian Democracy in the early post World War II decades Italy went through a period of rapid growth and political transformation In part this resulted in tumult and a crisis of governability however it also gave rise to innovation in the form of Eurocommunism and new forms of political accommodation The great strength of Italy lay in its constitution its great weakness lay in certain legacies of the past Organized crime popularly but not exclusively associated with the mafia is one example A self contained and well entrenched caste of political and economic elites is another These weaknesses became apparent in the breakdown of political order in the late 1980s and early 1990s This ushered in a combination of populist political mobilization and experimentation with electoral systems design and the result has been more evolutionary than

transformative Italian politics today is different from what it was during the immediate post World War II period but it still shows many of the influences of the past *Solidarity in the European Union* Andreas Grimm, Susanne My Giang, 2017-06-30 This volume approaches the current crisis of solidarity in the European Union from a multidisciplinary perspective The contributions explore the concept of solidarity its role in the European integration process and analyze the risks entailed by a lack of solidarity Experts from various academic fields such as political science law sociology and philosophy shed new light on contemporary challenges such as the migrant and refugee crisis the Eurozone crisis nationalist and separatist movements and Brexit Finally they also discuss different solutions for the most pressing problems in EU politics The book has two main aims Firstly to show that solidarity is a key element in solving the EU s contemporary problems and secondly to reveal how the crisis of solidarity has become a crucial test for the integration project as the nature of the crisis goes beyond the well known shortcomings in the EU s structure and problem solving capacities

Whispering the Secrets of Language: An Emotional Journey through **Irregular Migration And Invisible Welfare**

In a digitally-driven world where screens reign supreme and immediate communication drowns out the subtleties of language, the profound strategies and emotional subtleties hidden within words frequently go unheard. Irregular Migration And Invisible Welfare Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Irregular Migration And Invisible Welfare PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to

focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Irregular Migration And Invisible Welfare PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Irregular Migration And Invisible Welfare free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Irregular Migration And Invisible Welfare Books

1. Where can I buy Irregular Migration And Invisible Welfare books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Irregular Migration And Invisible Welfare book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
