Ritual as a Missing Link J. David Knottnerus, 2016-01-08 Up to now ritual has been under utilised for studying human behaviour This book narrows the gap in our understanding of the social causes and consequences of our actions by focusing on the ritualised behaviours that define much of our daily lives Knottnerus breaks new ground by comprehensively describing structural ritualistic theory He shows how structural reproduction has occurred throughout the world how rituals can be strategically used and how power can influence rituals and how the disruption and reconstitution of ritual is of crucial importance for human beings This book shows that ritual provides a missing link in sociology and helps us better explain the extreme complexity of human action and social reality MLA International Bibliography of Books and Articles on the Modern Languages and Literatures Modern Language Association of America, 1992 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969 **Guide to French Literature** Anthony Levi, 1992 This guide surveys the lives and works of 300 famous French writers Entries are devoted to the primary writers with some entries on important movements literary groups and publications **Subject Catalog** Library of Congress, **Modern French Literature: K-Z** Debra Popkin, Michael Popkin, 1977 **Linguistics and Language Behavior Abstracts** , 2008-12 □□□□□□□□ , 1971 *Books in Print* , 1982 Catalog of Copyright Entries.
