3000 Agricultural Books in Spanish , Jews, Food, and Spain Hélène Jawhara Piñer, 2022-11-22-2023 Gourmand World Cookbook Awards Best Jewish Food Culture Book 2022 National Jewish Book Award Finalist A fascinating study that will appeal to both culinarians and readers interested in the intersecting histories of food Sephardic Jewish culture and the Mediterranean world of Iberia and northern Africa. In the absence of any Jewish cookbook from the pre-1492 era, it requires arduous research and a creative but disciplined imagination to reconstruct Sephardic tastes from the past and their survival and transmission in communities around the Mediterranean in the early modern period followed by the even more extensive diaspora in the New World. In this intricate and absorbing study, Hélène Jawhara Piñer presents readers with the dishes, ingredients, techniques, and aesthetic principles that make up a sophisticated and attractive cuisine one that has had a mostly unremarked influence on modern Spanish and Portuguese recipes.

Stewart,2024-10-11 This collection of essays expands our understanding and appreciation of the body of work by established female authors of Spanish crime fiction series by analyzing recent narratives that in some cases contribute in novel ways to the ongoing reformulation of the genre and in others provide readers with a temporary hiatus from it The studies offer students and scholars of crime fiction new perspectives on the works of well known authors as well as analyses of their often less known narratives that may not fit within the genre Readers will engage in an exploration of gender dynamics and sexuality a variety of psychological and social issues and the consequences of the indiscriminate consumption of media and abuse of the environment and animals in narratives that exhibit the versatility of these outstanding authors The volume will appeal to a wide audience of literary and cultural studies critics as well as crime fiction enthusiasts and newcomers to this popular genre
