La115 Transmission Manual:

TechOne Jack Erjavec, 2004 Delmar Learning's new TechOne Manual Transmissions simplifies teaching and learning with its unique format. Concise chapters cover theory, diagnosis, service and repair for manual transmission systems, sub-topics and components. This easy-to-follow method helps students rapidly progress from one topic to the next. Strong illustrations and photos enhance the approach for visual learners and all students can benefit from the coverage of ASE certification requirements. Once the course is completed, an ASE practice exam in the Appendix allows students to put their skills to the test.

Today's Technician Jack Erjavec, 1997. The second edition of this best-selling title in the Today's Technician series has all the elements characteristic in the Today's Technician series. The classroom manual provides all necessary theory to understand manual transmission while the shop manual provides hands-on experience. New job sheets have been added to the shop manual to aid in student retention and comprehension. Furthermore, new material has been added to the basics of electricity and electronics as it relates to drive train systems and new coverage of six-speed transmissions, new differential gearing, inertia flywheel systems, shift blocking and new 4-wheel drive and all-wheel drive systems.
