La Fotografía Digital Expone:

Adobe LIGHTROOM 3. Edición de fotografía digital, 2010 Con Adobe Photoshop Lightroom tenemos a nuestro alcance un completo estudio fotográfico que nos permite organizar editar compartir y materializar nuestras colecciones de fotos El programa incorpora diferentes formas de convertir esas fotos digitales en algo más Con una gran variedad de controles y ajustes podremos retocar nuestras fotos con un gran nivel de detalle desde aspectos generales hasta pequeñas correcciones puntuales Además crearemos presentaciones de diapositivas para compartir con los demás páginas web en forma de galerías fotográficas o simplemente subir las fotografías a algún servicio de internet todo ello con una muy fácil configuración También podremos imprimir las fotos a lo grande ya que Lightroom nos permite incluir lo que queramos y como queramos dentro de un folio que luego quedará impecable en papel Este libro está dirigido tanto a aficionados como a expertos en el mundo de la fotografía con su lectura conocer todo lo necesario para manejar Lightroom con soltura y le servirá de gran ayuda para mantener toda su fototeca perfectamente ordenada no solo asegurándose de que nada se pierda sino que también gracias a los sistemas de etiquetado y organización por categorías carpetas etc le permitirá encontrar las fotografías de una forma rápida y sencilla En definitiva un completo estudio fotográfico al alcance de sus dedos que junto con esta obra le permitirá dar un paso más allá en el mundo de la fotografía digital El libro incluye 3 capítulos a todo color que son los que tratan el revelado de fotografías **Fotografía Digital Réflex** Paolo Gallo, 2019-05-16 **Fetichismos visuales** Massimo Canevacci, 2018-03-19

Este libro aborda las mutaciones del fetichismo clásico derivadas de la expansión de los fetiches visuales con el desarrollo de la comunicación digital Los fetichismos inmovilizan nuestra mirada Nos atrapan y asombran sobre todo por su fuerte carga sexual Cuando la mirada del individuo se cruza con el objeto fetiche este último se transforma y ese contacto otorga una nueva vida a ambos La conclusión se revela de forma evidente la antropología solo es posible si se da la mirada pero la investigación visual requiere una sensibilidad especial Este texto ofrece las herramientas teóricas y metodológicas básicas para desarrollarla y además le ayudará a entender la inutilidad de los tan arraigados fundamentos basados exclusivamente en la lógica de la razón

Los Resúmenes de Prensa en los Gabinetes de Comunicación: una Aproximación Jurídica Javier Díaz Noci, 2004-12 Internet es un mercado que ha venido para quedarse No hay ya empresa periodística que se precie que no tenga presencia en la Red La digitalización de los contenidos y la posibilidad de puesta a disposición de forma rápida y muy barata de la información para todo el mundo conectado ha acentuado algunos problemas jurídicos Los resúmenes de prensa que ahora son fundamentalmente digitales y lo pueden ser también de informaciones no solo de prensa sino audiovisuales han proliferado y han llevado a empresas profesionales y clientes a plantearse la licitud de los mismos y el reparto de los beneficios generados Este libro analiza la problemática jurídica que presentan los resúmenes de prensa desde el punto de vista de los gabinetes de comunicación pero sin olvidar también sus repercusiones entre los profesionales de la información Incluye un apéndice con algunas preguntas frecuentes entre quienes trabajan en gabinetes La fotografía digital con Scott Kelby 5, **Cultura**

2.0. Técnicas de investigación en entornos digitales Alfonso Vázquez Atochero, Domingo Barbolla, 2010 Cultura 20

Técnicas de investigación en entornos digitales trata de desvelar las técnicas necesarias para introducirse en el apasionante mundo de las comunicaciones mediadas por ordenador y el magnífico escenario que se abre a las ciencias sociales. A través de las experiencias de investigación de los autores en el ciberespacio se analizan los pros y los contras de cada método. Para comprender los entornos digitales partimos de la herencia de la antropología clásica: son viejas técnicas para nuevos tiempos, técnicas especiales para trabajos especiales. Una nueva antropología para comprender al nuevo ser humano interactuando con la máquina.

Tengo algo que decirte AA. VV., Tengo algo que decirte responde fielmente al enunciado de su título. Frente al vertigo absorbente de nuestra realidad cotidiana más allá de los imperativos laborales y sociales de toda índole que nos atenazan y constriñen más de lo que quisiéramos, hay todavía y debe haberlo un espacio para la reflexión solidaria para el acercamiento al otro. Para compartir en suma experiencias y visiones de la vida con sus luces y sombras pero siempre con un punto de esperanza en la mirada. Así asistiremos al diálogo futurista entre un hombre y un robot con apariencia de mujer. El saber de nuestro tiempo a un altercado que nace de las envidias entre hermanos. El pozo de la contienda a pasajes de la Guerra Civil donde comparecen personajes históricos del período. El hombre de Villa Borghese a un curioso recorrido por la mitología clásica. Cibeles y Pizarro en El ayoamiento se entrecruzan culturas y razas a partir de una gitana que lee las manos a una chica joven. La última de Zafarraya narra la huida de una mujer y su reto o cuyo pueblo ha sido arrasado y es un relato en el que prevalece la descripción del paisaje algo que se da también en Los halcones del río Verde que alberga ese cariz aventurero a partir de una expedición fluvial. Todo cambia para siempre recoge el viaje al pasado de una chica en busca de una identidad. Jimmy el ángel que aterriza en lo alto de una montaña transmite el vertigo de los tepalcates. El pirata que siempre llegaba tarde brilla por su fino humor. La influencia de las redes sociales se aborda en Mar a Ningún diario es inocente indaga en la violación de la intimidad. El cautivo recoge la leyenda del Cid aunque desmitificando un tanto la historia original. Diez peldaños deja entrever una moraleja tras un cuento navideño narrado desde la perspectiva de un niño. Tengo algo que decirte explora la lacra de la violencia de género. Y de ese modo hasta un total de 31 relatos que descubrirán al lector de manera siempre amena aspectos insólitos y esclarecedores del mundo que nos rodea.

FIDE la Fundación para la Investigación sobre el Derecho y la Empresa atesora una extensa trayectoria y la valiosa cualidad de convocar en un mismo foro a prominentes profesionales de la abogacía y la economía. Y cuenta asimismo con una ya acrisolada tradición que cabe calificar como literaria la de unir a sus colaboradores habituales en torno a un género de creciente auge en nuestros días: el relato. Esta tercera compilación de relatos FIDE sigue la estela de sus predecesoras.

El cronógrafo En la frontera para brindar al lector un abanico de propuestas a cuílmis sugerente y estimulante. Harrett, 2024-10-18 Te sientes abrumado por el constante bombardeo de información y estás muy cansado en tu vida diaria. Algunas veces has deseado tomarte un tiempo para ti mismo pero no sabes cómo desconectar del mundo exterior. Entonces sigue leyendo. Desconectarnos de la tecnología para reconectarnos con nosotros mismos es esencial para la sabiduría. Arianna Huffington. En la era digital la tecnología, las redes sociales, el trabajo y las preocupaciones cotidianas pueden absorber nuestra atención de manera implacable dejándonos con una sensación de desconexión, agotamiento y a veces una profunda soledad. En el afán de mantenernos al día con el mundo exterior a menudo descuidamos una conexión esencial, una que debería ser la base de nuestras vidas: la conexión con nosotros mismos. Por suerte, hay muchos métodos y pautas muy eficaces que te pueden ayudar a desconectarte de todo lo demás que te hace mal y llevarte a una mejor conexión contigo mismo. En este libro descubrirás Estrategias comprobadas para liberarte de las cadenas invisibles de la distracción y la desconexión. Maneras simples de establecer límites saludables con la tecnología. Claves para encontrar la paz en medio del ajetreo cotidiano. Atajos para fortalecer tus relaciones a medida que te reconectas contigo mismo. Los secretos para priorizar tus necesidades y redescubrir tu voz interior y mucho más. Aprender a desconectarte del mundo reduce significativamente los niveles de estrés, mejora la calidad del sueño y favorece la concentración. Además, esta práctica fortalece la conexión con uno mismo fomentando la autoreflexión y el crecimiento personal. No sigas sufriendo por las cadenas del mundo exterior. Aprende a escucharte a ti mismo y a desconectarte del ruido diario. Desplázate hacia arriba y adelante esta guía al carril ahora. **From Here On** Centre d'Art Santa Mònica (Barcelona, Spain), Catalonia (Spain). Departament de Cultura i Mitjans de Comunicació, 2013 El paso de la imagen analógica a la imagen digital y la extensión de internet y de la telefonía móvil han transformado radicalmente el mundo de la fotografía hasta un punto de no retorno. Este nuevo potencial tecnológico tiene unas consecuencias creativas todavía incipientes y ha modificado y puesto en cuestión conceptos clave como los de autoría y obra original y ha multiplicado las posibilidades de reproducción y circulación de las imágenes de una manera insospechada. Se trata de una verdadera revolución creativa que muchos nuevos artistas de la imagen están explotando en todo el mundo. *Expri-me la fotografia digital* Scott Kelby, 2012-06 **O surrealismo** J. Guinsburg, Sheila Leirner, 2020-06-25 Ontem vivi uma situação surrealista. Incontáveis vezes ouvimos ou dizemos uma expressão como esta quando nos vemos diante de um acontecimento inesperado e impensável. Tanto grande fez-se a influência do surrealismo na formação do imaginário das gerações que o sucederam que o uso do termo surrealista vulgarizou-se e incorporou-se à linguagem cotidiana não só dos povos ocidentais. Afinal, por quais razões o movimento liderado por André Breton alcançou tanta repercussão e popularidade a quais perguntas ele se propunha responder qual sua pertinência para o contexto histórico?
