Cultivating Generosity: Giving What'S Right, Not What'S Left Rem Stokes, 2013-10-23 At last An insightful book about cultivating generosity from a generous lay leader and donor and not from a professional fundraiser or clergy leader Rem Stokes alone knows more about the psychology of donors and has demonstrated that insight over more years than a whole busload of ministers and consultants put together If you want to understand how to change the culture of your congregation or group in the direction of abundance not scarcity this is your guidebook Rev John Buehrens former president of the Unitarian Universalist Association Money pervades all aspects of our lives but we dare not discuss it for fear of touching the proverbial third rail The discomfort we experience may be that it reveals more than we want it to All individuals fear rejection and want acceptance And money becomes the agent of compensation the hopium of the masses But it is a false hope Money is extrinsic and can only buy external things Money simply cannot buy the things most worth having Wherever there is pain or embarrassment there is essential learning to be done I believe churches should address the stranglehold that money has on our attitudes Churches cannot be truly relevant to their members real life issues without addressing the money dimension that underlies their attitudes and behaviors You cannot compartmentalize a person into secular and spiritual categories without damaging his wholeness This book addresses that issue head on Churches need programs that let money permeate the environment in a wholesome and constructive way Those programs should help overcome the reluctance to discuss money and cultivate a culture of generosity This book provides a set of exercises and a rationale for churches to achieve these goals moving members from self interest to self esteem

The God Powered Life *SEVENTEEN LIFE DECISIONS TO TAP INTO GOD'S UNLIMITED PROVISION* Chris Chimwayange, 2011-11-15 SEVENTEEN LIFE DECISIONS Unlocking God's unlimited provision through applying principles in His Word is the subject of this book. There is a part one plays in every miracle. Continuously thinking the same and hoping that things will change for the better creates mere illusions of grandeur. Unfortunately many people wait for God to do the things they should be doing in order for them to tap into His unlimited favor. The book purposes that God's favor awaits those whose minds have been renewed through aligning their decisions and actions with principles in His Word. Decisions create opportunity and favor. The principles of God are constant and will work for anyone who is obedient to follow them. Even great motivation speakers and business leaders of our generation have relied heavily on these Biblical principles to ignite innate ability and unknown strength in individuals to act purposively and decisively. You too can change the course of your life through thinking and decisions that align with the Word of God. You are seventeen decisions away from your provision.

The North-China Herald and Supreme Court & Consular Gazette, 1912 **Concerning Prosperity Gospel** Silvanus Oluoch, 2011-08-19 Concerning Prosperity gospel a popular brand of teachings has elicited extra passion in the recent Christian history having shaped and changed paradigms and beliefs within a section of the Christian community. Prosperity Gospel therefore is here to challenge our understanding of prosperity in the scriptural sense. It is filled with examples of inconsistencies and misinformation rampant within the pop gospel circles. It argues for a prosperity that cannot be attained out there through giving or what have you but should be a condition within every believer. As explained in this book the current prosperity gospel is simply materialistic consumerism. Christened Tries to use God as a means to an end. V success Tries tying God on to formulas V faith and other biblical principles Elevates Miracles above the Jesus who releases them Misinterprets the Bible V form texting mixed with catchy phrases Mixes law and grace as a means of unlocking blessings Presents a false God and Christ Tramples down Christ's redemption by twisting its meaning Does not encourage growth in grace Promotes wrong concepts of faith Encourages giving out of necessity if you have a need plant a seed Plays by the rules of secular media and cannot effectively communicate the true gospel. The author hopes the reader will clearly see such falsehood for what they are. *The Wesleyan methodist Church record*, 1896 God's Plans for Your Finances Dwight Nichols, 1998-01-01 God has already given you the power to make money in order to provide for your family achieve your goals and reach out to the world with the hope of the Gospel.
