Researching Language Learning Motivation Ali H. Al-Hoorie, Fruzsina Szabó, 2022-01-27 One of the most active areas in the field of second language acquisition language learning motivation is a burgeoning area of research Yet the plethora of new ideas and research directions can be confusing for newcomers to the discipline to navigate Offering concise bite size overviews of key contemporary research concepts and directions this book provides an invaluable guide to the contemporary state of the field Making the discussion of key topics accessible to a wider audience each chapter is written by a leading expert and reflects on cutting edge research issues From well established concepts such as engagement and learning goals to emerging ideas including contagion and plurilingualism this book provides easy to understand overviews and analysis of key contemporary themes Helping readers understand a field which can appear highly technical and overwhelming

Researching Language Learning Motivation provides valuable insights perspectives and practical applications **Helping English Language Learners Succeed** Carmen Zuniga-Dunlap, 2014-10-01 This resource provides teachers with research based instructional practices and strategies to guide English language learners toward academic success This second edition book contains effective models and background information on its approaches to support writing listening and speaking reading comprehension and vocabulary development for English language learners [The Routledge Handbook of Content and Language Integrated Learning](#) Dario Luis Banegas, Sandra Zappa-Hollman, 2023-07-03 Content and language integrated learning CLIL is an increasingly popular educational approach given its dual focus on enabling learners to acquire subject matter through an additional language while learning this second language in tandem with content This Handbook provides a comprehensive overview of recent CLIL developments illustrating how CLIL has been uniquely conceptualised and practised across educational and geographical contexts Divided into six sections covering language and language teaching core topics and issues contexts and learners CLIL in practice CLIL around the world and a final section looking forward to future research directions every chapter provides a balanced discussion of the benefits challenges and implications of this approach Representing the same diversity and intercultural understanding that CLIL features the chapters are authored by established as well as early career academics based around the world The Routledge Handbook of Content and Language Integrated Learning is the essential guide to CLIL for advanced students and researchers of applied linguistics education and TESOL

Teaching Young Second Language Learners Rhonda Oliver, Bich Nguyen, 2018-06-12 Adopting a learner centred approach that places an emphasis on hands on child SL methodology this book illustrates the practices used to teach young second language learners in different classroom contexts 1 English as an Additional Language or Dialect EAL D both intensive EAL D and EAL D in the mainstream 2 Language Other Than English LOTE 3 Content and Language Integrated Learning CLIL 4 Indigenous 5 Foreign Language FL It will be particularly useful to undergraduate teachers to build upon the literacy unit they undertake in the first years of their course to explore factors that constitute an effective child SL classroom

and in practical terms how to develop such a classroom The pedagogical strategies for teaching young language learners in the six chapters are firmly guided by research based findings enabling not only pre service teachers but also experienced teachers to make informed choices of how to effectively facilitate the development of the target language empowering them to assume an active and effective role of classroom practitioners

Multilingual Selves and Motivations for Learning Languages other than English in Asian Contexts Anas Hajar, Syed Abdul Manan, 2024-07-16 This edited volume focuses on the experiences of individuals learning languages other than English LOTE in a range of Asian contexts that have traditionally been under represented in the literature Aligning with the multilingual turn in SLA it views learners as individuals of a multilingual society with unique complex heterogeneous and dynamic identities The chapters explore the learners motivational trajectories multilingual identities and their conceptualisations of the ideal multilingual self This volume enhances our critical understanding of language learning motivation through empirical findings and conceptual insights from studies of motivation in specific regions in Asia including Greater China Indonesia Japan Kazakhstan Malaysia Pakistan and Syria Providing insight into the multilingual identities of individuals learning LOTE it will appeal to students and scholars in second language acquisition researchers in language learning motivation and policymakers in language education

International Handbook on Education Development in the Asia-Pacific Wing On Lee, Phillip Brown, A. Lin Goodwin, Andy Green, 2023-11-20 The Springer International Handbook of Educational Development in Asia Pacific breaks new ground with a comprehensive fine grained and diverse perspective on research and education development throughout the Asia Pacific region In 13 sections and 127 chapters the Handbook delves into a wide spectrum of contemporary topics including educational equity and quality language education learning and human development workplace learning teacher education and professionalization higher education organisations citizenship and moral education and high performing education systems The Handbook is grounded in specific Asia Pacific contexts and scholarly traditions using unique country specific narratives for example Vietnam and Melanesia and socio cultural investigations through lenses such as language identity or colonisation while offering parallel academic discourse and analyses framed by broader policy commentary from around the world

Intersections in Language Planning and Policy Jean Fornasiero, Sarah M. A. Reed, Rob Amery, Eric Bouvet, Kayoko Enomoto, Hui Ling Xu, 2020-09-28 This volume encompasses the range of issues encountered by language scholars who teach and research in departments of languages and cultures within the higher education system predominantly in Australia but touching other universities worldwide Related studies on language planning methodology or pedagogy have focused on one or more of these same issues but rarely on their totality Intersections as a metaphor running discreetly through the essays in this volume connects them all to a lived reality The field of languages and cultures as it is practised and reflected upon in Australian universities is essentially an interdisciplinary and interconnecting space one in which linguistic and disciplinary diversities meet and join forces rather than collide or disperse along different pathways The international and local studies

featured here focus on language planning new pedagogies and language reclamation and link to meeting points and commonalities They show that language scholars are increasingly finding themselves on common ground as they tackle issues of policy and practice affecting their field whether within their institutions within the tertiary system or within the framework of government policy

The Routledge Handbook of Systemic Functional Linguistics Tom Bartlett, Gerard O'Grady, 2017-01-12 The Routledge Handbook of Systemic Functional Linguistics brings together internationally renowned scholars of systemic functional linguistics SFL to provide a space for critical examination of the key tenets underpinning SFL theory Uniquely it includes description of the three main strands within contemporary SFL scholarship Halliday's Introduction to Functional Grammar Martin's discourse semantics and Fawcett's Cardiff Grammar In five sections and thirty eight interdisciplinary chapters this is the first handbook to cover the whole architecture of SFL theory comprising the ontology and epistemology of SFL SFL as a clause grammar lexicogrammar below the clause and SFL's approach to constituency SFL's vibrant theory of language above the clause and SFL as a theory of praxis with real world applications With a wide range of language examples a comprehensive editors introduction and a section on further reading The Routledge Handbook of Systemic Functional Linguistics is an essential resource for all those studying and researching SFL or functional grammar
