## **It Wasnt Always Easy But I Sure Had Fun:**

It Wasn't Always Easy, But I Sure Had Fun Lewis Grizzard, 1995-05 The book Grizzard was working on when he died and contains what he thought represented the best of the last decade of his writing *They Tore Out My Heart and Stomped That Sucker Flat* Lewis Grizzard, 2010-09-01 They Tore Out My Heart and Stomped That Sucker Flat first published in 1982 has sold more than 100 000 copies Without skipping a beat one of America's favorite humorists the late Lewis Grizzard tells of the early stirrings of his wayward heart in the backseat of a '57 Chevy and the ominous murmurings that led him at age thirty five to major surgery and the real answer to his question How much is this going to hurt In the process he discovers all the ways a heart can break Young love Three marriages His father's death And why his entire future suddenly depended on a little pig He tells the truth the whole truth the kind that has readers laughing through their tears United Press International said It makes you feel good to know a person can face the tubes wires knives and needles of major heart surgery and make you laugh about it hilarious *Through Alien Eyes* Elena Popova, 2008 What do you think of those Russian brides What do they think of YOU International marriages bring a substantial number of newcomers to the US and contribute to the transformation of the basic institution of society OCo the family When men are from Mars and women are aliens the marital dynamic can be quite dramatic A Russian born journalist Ms Popova shines a blinding light on some of the amusing and amazing oddities that are revealed when an outsider takes a blunt look at how we live Elvis Is Dead and I Don't Feel So Good Myself Lewis Grizzard, 2011-08-01 The 1950s were simple times to grow up For Lewis Grizzard and his buddies gallivanting meant hanging out at the local store eating Zagnut candy bars and drinking Big Orange bellywashers About the worst thing a kid ever did was smoke rabbit tobacco rolled in paper torn from a brown grocery sack or maybe slick back his hair into a ducktail and try gyrating his hips like Elvis But then assassinations war civil rights free love and drugs rocked the old order And as they did Grizzard frequently felt lost and confused In place of Elvis the Pied Piper of his generation Grizzard now found wormy looking long haired English kids who performed either half naked or dressed like Zasu Pitts *Elvis Is Dead and I Don't Feel So Good Myself* is the witty satiric nostalgic account of Grizzard's efforts to survive in a changing world Sex music clothes entertainment and life itself receive the Grizzard treatment In this his sixth book Grizzard was never funnier or more in tune with his readers He might not have felt so good himself but his social commentary and humor can still make the rest of us feel just fine **Internet Dating Just Bytes** Mari Wisely, Terry Richman, 2005-09-08 This is a humorous approach for finding a good recipe Learning how to write a great personal ad It will show you what to put in your ad and most importantly what to leave out How to read personal ads to know what they are really saying and reading between the lines for what they don't say Dating and relationships is like making a cake You should start with a good recipe A recipe that does not include any foiled Bundt cakes fruitcakes and no half baked nut wonders What we really need is a human Mixmaster where you can gather up all of the ingredients you want and throw them in there to make the perfect mate but then that

would take all of the fun and surprise out of searching the Internet now wouldn't it Even with a good recipe things can still go awry Great growling grizzly I had a date with Wild Man Mike from the Klondike An extremely nice guy but short of coming to the date with a weed eater for beard trimming I was not equipped to handle what I had unearthed Mother Mary he was wild and hairy The only sparks that arose in this situation came from the undercarriage of my car when I hit a speed bump driving away at 85 miles an hour In this book you will discover some of the pitfalls and the pratfalls of online romance We have endeavored in creating this book to show you a little of both Many of the things that we discuss are through observations and stories from people that have been there and done that We truly hope that you enjoy reading our somewhat comic romp through the world of matchmaking in cyber space as much as we enjoyed creating it On line dating can be interesting and fun but all of the stars have to align perfectly for that to happen Finding that perfect someone is not the norm it's kind of like winning the lottery You run the ball hopper and see what pops out Maybe if you're lucky you'll get a winner but more often than not you'll get a loser This is both a man and a woman's perspective about Internet Dating and relationships **My Daddy Was a Pistol and I'm a Son of a Gun** Lewis Grizzard, 2012-10-01 Lewis Grizzard always makes us laugh But this time when he tells us all about his father a certified war hero and a shameless passer of bad checks a charmer of men and women and a consummate con artist a man of great courage and an alcoholic destined to drink himself to death he's going to make us cry too And he's going to give us a hilarious moving account of that tender spooky territory that country of the heart inhabited by fathers and sons **The Complete Idiot's Guide to the Ultimate Reading List** John Charles, Shelley Mosley, 2007-07-03 Great reads for busy people This is a guide to help busy people find great reads in fiction and nonfiction Filled with recommendations of popular entertaining reading this book covers mystery and suspense romance women's fiction and chick lit Westerns science fiction such nonfiction topics as animals art biography memoirs business true crime and more Plus each entry includes a summary of the book its significance and a critique observation comment **Down Home** Bud Crawford, 2012-07-30 Memories of growing up in small town Oklahoma Come along as I take a stroll down memory lane who knows it might even put a smile on your face and a chuckle in your heart **If I Ever Get Back to Georgia, I'm Gonna Nail My Feet to the Ground** Lewis Grizzard, 2012-01-01 Lewis Grizzard got his first newspaper job when he was ten years old Thirty odd years later thirty very odd years he's still in the newspaper business and he's still infuriated by it still tickled by it and still very much in love with it If I Ever Get Back to Georgia I'm Gonna Nail My Feet to the Ground is all about that anger that great humor and that even greater passion for something that affects every single one of us the daily newspaper Grizzard begins with his first writing job covering a Boy's Church League team in Newman Georgia and continues through his college years in Athens Georgia where he learned how to do such things as prepare a front page headline and layout in case Jesus Christ ever returned to earth Headline HE'S BACK He examines the great Atlanta years and the cold Chicago winters as sports editor of the Sun Times during which Grizzard lost his second wife his cool and very nearly his sanity but

also learned an awful lot about life liberty and the pursuit of happiness This is Grizzard s funniest and his best book yet
