*Reaching Reluctant Young Readers* Rob Reid, 2017-03-09 *Reaching Reluctant Young Readers* features 150 middle grade books. Each profiled title has the potential to hook the reluctant reader and lure them to read the entire book. To specifically encourage elementary and middle school age reluctant children to read, there is first a pitch to get the reader's attention. That is followed by a short reading passage to set the hook and encourage the young person to read the rest of the book on their own. Further, the book contains several hundred additional recommended titles. The books selected for this collection were chosen following the criteria of reluctant reader books created by the Quick Picks committee sponsored by the Young Adult Library Services Association. While these guidelines were designed for young adult books, they also work well for middle grade books. The criteria include clear writing, no convoluted long sentences with sophisticated vocabulary, high interest hook in the first few pages, well-defined characters, interesting plot, and familiar themes.

Now he's about to become famous because he's been asked to audition for the hottest new movie with the hottest girl costar. But balancing real life with movie life is way harder than it sounds. Will Pete's newfound fame mean losing his girlfriend and all his friends? Find out in *Pete Milano's Guide to Being a Movie Star*.

Shoeless Joe and Ragtime Baseball Harvey Frommer, 2016-10-01 Another peek at baseball's good old days or in this case, bad old days by veteran sports historian Harvey Frommer. Frommer paints Shoeless Joe as a baseball natural. Joe Jackson hit the ball harder than any man ever to play baseball. Ty Cobb, an illiterate hick, his table utensils consisted of knife and fingers, and an innocent man snared by the greatest scandal in baseball history.
