

The image is a still life composition set against a dark background with a dense, repeating pattern of stylized green leaves and vines. In the center, a silver, cylindrical flask with a textured cap is positioned. The flask has the title "LOST RECIPES OF PROHIBITION" and the author's name "MATTHEW ROWLEY" printed on it in a bold, sans-serif font. Behind the flask, a book is visible, with its cover featuring handwritten text in cursive, including "a. Blumgart" and "1 gill". In the foreground, a piece of cream-colored paper is partially visible, featuring a large red letter "R" and the title "Notes from a Bootlegger's Manual" in red. Below the title, there is a paragraph of handwritten text in cursive. The overall aesthetic is vintage and evokes the theme of prohibition-era bootlegging.

Aleister Crowley, Sylvester Viereck, Literature, Lust, and the Great War Patrick J. Quinn, 2021-09-28 This book explores the lives of two writers one born in Germany Viereck and one born in England Crowley who were both influenced by decadent French writers such as Baudelaire and Mirbeau and English poets such as Swinburne and Wilde They both wrote decadent poetry early in their careers before becoming known in literary circles as two of the most wicked writers in America Viereck and the world Crowley By their twenties their reputations as rebels against the restrictive and stifled cultures they inhabited were firmly established Both men enjoyed breaking with the status quo by writing poetry short stories and plays with exotic scenes that celebrated the beauty of the female body Both writers were captivated by the femme fatale and her deleterious effect on her male victims robbing them of their opportunity for transcendence into a spiritual realm Their work especially their love poetry their science fiction works dealing with vampires and articles and essays concerning the onset of the Great War are still very readable today What is also intriguing is that in 1915 both men were working together in New York where Viereck was the editor of two pro German magazines The Fatherland and The International Searching for an editorial position at that time Crowley learned about an opening and was hired by Viereck There is speculation that Crowley's discovery of the job opening for these pro German magazines was a clever plan on the part of the British secret service to place one of their agents inside the German spy network in America of which Viereck was a key player Propaganda intrigue cover ups and the American declaration of war on Germany all make this alliance between the two very decadent poets and perhaps spies or even double agents worth knowing more about
