3 ,2023-10-25 Augustan love elegy represents one of the most important and most distinctive Roman contributions to European and world literature This volume presents the first detailed commentary in any language on Ovid s Amores Book 3 the last collection of love poems composed in the Augustan age Aimed at both students and scholars the commentary has been written to be as accessible to as many readers as possible with all quotations from ancient Greek and modern languages being translated It includes an Introduction for the general reader which pays particular attention not only to the book s poetic design and the distinctive features of Ovid s style but the relationship of the whole three book collection to earlier love

elegy and its handling of political and social questions It offers an edition of the text of Book 3 based on printed editions together with a translation designed to clarify the surface meaning of the Latin P J Davis s commentary focuses on topics including Ovid s engagement with the works of earlier poets his use of rhetoric and wit his employment of verbal and metrical patterns textual difficulties and of course the elucidation of linguistic problems Amores Book 3 takes love elegy in new directions giving us for example a dream vision poem a dutiful husband s account of a religious pilgrimage and the speech of a pickup artist trying to seduce a girl at the races Perhaps its most striking feature is its shift away from obsession with a single mistress to reflection on the poet s place in the tradition of Latin love poetry with poems explicitly devoted to issues raised by Catullus Tibullus and Propertius **Laser Video Guide** ,1997 The complete laser disc catalog movies music and special interest including karaoke and animation *A Woman's Place Is in the Brewhouse* Tara Nurin,Teri Fahrendorf,2021-09-21 North American Guild of Beer Writers Best Book 2022 Dismiss the stereotype of the bearded brewer It s women not men who ve brewed beer throughout most of human history Their role as family and village brewer lasted for hundreds of thousands of years through the earliest days of Mesopotamian civilization the reign of Cleopatra the witch trials of early modern Europe and the settling of colonial America A Woman s Place Is in the Brewhouse celebrates the contributions and influence of female brewers and explores the forces that have erased them from the brewing world It s a history that s simultaneously inspiring and demeaning Wherever and whenever the cottage brewing industry has grown profitable politics religion and capitalism have grown greedy On a macro scale men have repeatedly seized control and forced women out of the business Other times women have simply lost the minimal independence respect and economic power brewing brought them But there are more breweries now than at any time in American history and today women serve as founder CEO or head brewer at more than one thousand of them As women continue to work hard for equal treatment and recognition in the industry author Tara Nurin shows readers that women have been and are once again becoming relevant in the brewing world **(Re)mapping the Latina/o Literary Landscape** Cristina Herrera,Larissa M. Mercado-López,2016-08-10 This book broadens the scope of Latina o criticism to include both widely read and understudied nineteenth through twenty first century fictional works that engage in critical discussions of gender race sexuality and identity The essays in this collection do not simply seek inclusion for the texts they critically discuss but suggest that we more thoughtfully consider the utility of mapping whether we are mapping land borders time migration or connections and disconnections across time and space Using new and rigorous methodological approaches to reading Latina o literature contributors reveal a varied and textured landscape challenging us to reconsider the process and influence of literary production across borders **Time Out Film Guide** John Pym,1997 Now in its fifth edition the popular Time Out Film Guide updated annually covers more than 11 000 films from every area of world cinema Better international coverage and honest lively criticism make this one of the most comprehensive film guides anywhere New for this edition are awards
