Dorfman, Diane Dougherty, 2014 If you are a teacher of grades K-6 you might be asking Should I teach grammar in my class on a daily basis? How would I go about doing this? And how can I teach grammar so it isn't boring to my kids? In Grammar Matters Lynne Dorfman and Diane Dougherty answer these questions and more. Using mentor texts as the cornerstone for how best to teach grammar, this book provides teachers with almost everything they need to get kids not only engaged but excited about learning grammar. Divided into four parts: Narrative Writing, Informational Writing, Opinion Writing, and Grammar Conversations, this hand reference provides practical teaching tips, assessment ideas, grammar definitions, and specific mentor texts to help students learn about parts of speech, idioms, usage, issues, and punctuation. Through Your Turn Lessons, conversations, conferences, and drafting, revising, and editing exercises, students will learn not only specific concepts but also how to reflect upon and transfer what they have learned to other writing tasks, no matter the subject. The Treasure Chest of Children's Books provides an extensive list of both fiction and nonfiction books that fit naturally into grammar instruction. Eight appendices provide even more resources, including information on homophones, using mentor texts to teach grammar, and conventions checklists. Comma rules help for ELL students, and a glossary of grammar terms. Grammar Matters links instruction to the Common Core State Standards and features quality classroom tested tools that help teachers provide their students with the gifts of grammar and literacy. **Grammar Matters Too Evaluation Pack** Harcourt Education, 2008-05-01 Grammar Matters Too focuses completely on building and improving your students' key grammatical skills. **The Teacher's Grammar Book** James D.
