Mating By Norman Rush:

Mating Norman Rush, 1992-09-01 NATIONAL BOOK AWARD WINNER Is love between equals possible This modern classic is a delightful intellectual love story that explores the deepest canyons of romantic love even as it asks large questions about society geopolitics and the mystery of what men and women really want Luminous Few books evoke the state of love at its apogee The New York Times Book Review The best rendering of erotic politics since D H Lawrence The voice of Rush's narrator is immediate instructive and endearing The New York Review of Books One of The Atlantic's Great American Novels of the Past 100 Years The narrator of this splendidly expansive novel of high intellect and grand passion is an American anthropologist at loose ends in the South African republic of Botswana She has a noble and exacting mind a compelling waist and a busted thesis project She also has a yen for Nelson Denoon a charismatic intellectual who is rumored to have founded a secretive and unorthodox utopian society in a remote corner of the Kalahari one in which he is virtually the only man What ensues is an exhilarating quest and an exuberant comedy of manners A dryly comic love story about grown up people who take the life of the mind seriously Newsweek

Whites Norman Rush, 2011-03-02 A collection of short stories from the National Book Award winning author of Mating Powerful and original always convincingly authentic The ironies keep cutting in new directions The New York Times Whether they are Americans Brits or a stubborn and suicidally moral Dutchman Norman Rush's whites are not sure why they are in Botswana Their uncertainty makes them do odd things Driven half mad by the barking of his neighbor's dogs Carl dips timidly into native witchcraft only to jump back out at the worst possible moment Ione briskly pursues a career as a seducer A seductress was merely someone who was seductive and who might or might not be awarded a victory But a seducer was a professional while her dentist husband fends off the generous advances of an African cook Funny sad and deeply knowing polished throughout to a diamond glitter Whites is a magnificent collection of stories

Subtle Bodies Norman Rush, 2013-09-10 A NEW YORK TIMES NOTABLE BOOK National Book Award winning author of Mating In a sophisticated romp through the tribulations and joys of marriage and friendship a group of college friends reunites two decades after graduation Rush is the best kind of comic novelist The New York Times Book Review After the sudden death of Douglas once the ringleader of a clique of self-styled wits his four best friends are summoned to his Catskills estate to mourn his passing Responding to a mysterious sense of emergency in the call Ned flies in from San Francisco with his wife Nina in furious pursuit they're at a critical point in their attempts to conceive and she won't let a funeral get in the way It is Nina who gives us a pointed irreverent commentary as the men reconvene while Ned tries to understand what it was that made this clutch of souls his friends to begin with before time sex work and the brutal quirks of history reshaped them Filled with unexpected funny telling aperiodic Norman Rush's Subtle Bodies is also a deeply moving exploration of the meanings of life

Mortals Norman Rush, 2011-03-23 At once a political adventure a portrait of a passionate but imperiled marriage and an acrobatic novel of ideas from the National Book Award winning author of Mating

An astonishing accomplishment A detonation of talent that threatens to incinerate competitors for miles around The Christian Science Monitor Mortals marks Norman Rush's return to the territory he has made his own the southern African nation of Botswana Nobody here is entirely what he claims to be Ray Finch is not just a middle aged Milton scholar but a CIA agent His lovely and doted upon wife Iris is also a possible adulteress And Davis Morel the black alternative physician who is treating her while undertaking a quixotic campaign to de Christianize Africa may also be her lover As a spy the compulsively literate Ray ought to have no trouble confirming his suspicions But there's the distraction of actual spying Most of all there's the problem of love which Norman Rush anatomizes in all its hopeless splendor in a novel that would have delighted Milton Nabokov and Graham Greene

Toward the Geopolitical Novel Caren Irr, 2013-12-17 Caren Irr's survey of more than 125 novels outlines the dramatic resurgence of the American political novel in the twenty first century She explores the writings of Chris Abani Susan Choi Edwidge Danticat Junot Diaz Dave Eggers Jeffrey Eugenides Aleksandar Hemon Hari Kunzru Dinaw Mengestu Norman Rush Gary Shteyngart and others as they rethink stories of migration the Peace Corps nationalism and neoliberalism revolution and the expatriate experience Taken together these innovations define a new literary form the geopolitical novel More cosmopolitan and socially critical than domestic realism the geopolitical novel provides new ways of understanding crucial political concepts to meet the needs of a new century

Understanding Marilynne Robinson Alexander John Engebretson, 2017-11-06 A comprehensive study of the award winning Midwestern author of fiction and nonfiction Alex Engebretson offers the first comprehensive study of Marilynne Robinson's fiction and essays to date providing an overview of the author's life themes and literary and religious influences Understanding Marilynne Robinson examines this author of three highly acclaimed novels and recipient of the National Book Critics Circle Award for fiction the Pulitzer Prize for fiction the Orange Prize for fiction and the National Humanities Medal Through close readings of the novels and essay collections Engebretson uncovers the unifying elements of Robinson's work a dialogue with liberal Protestantism an emphasis on regional settings the marked influence of nineteenth century American literature and the theme of home The study begins with Housekeeping Robinson's haunting debut novel which undertakes a feminist revision of the Western genre Twenty four years later Robinson began a literary project that would bring her national recognition three novels set in a small rural Iowa town The first was Gilead which took up the major American themes of race the legacy of the Civil War and the tensions between secular and religious lives Two more Gilead novels followed Home and Lila both of which display Robinson's gift for capturing the mysterious dynamics of sin and grace In

Understanding Marilynne Robinson Engebretson also reviews her substantial body of non fiction which demonstrates a dazzling intellectual range from the contemporary science religion debates to Shakespeare to the fate of liberal democracy Throughout this study Engebretson makes the argument for Marilynne Robinson as an essential deeply unfashionable visionary presence within today s literary scene

The Fire Next Time James Baldwin,2013-09-17 NATIONAL BESTSELLER The book that galvanized the nation gave voice to the emerging civil rights movement in the 1960s and still lights the way to understanding race in America today The finest essay I ve ever read Ta Nehisi Coates At once a powerful evocation of James Baldwin s early life in Harlem and a disturbing examination of the consequences of racial injustice the book is an intensely personal and provocative document from the iconic author of *If Beale Street Could Talk* and *Go Tell It on the Mountain* It consists of two letters written on the occasion of the centennial of the Emancipation Proclamation that exhort Americans both black and white to attack the terrible legacy of racism Described by The New York Times Book Review as sermon ultimatum confession deposition testament and chronicle all presented in searing brilliant prose *The Fire Next Time* stands as a classic of literature

More Matter John Updike,2009-02-19 In this collection of nonfiction pieces John Updike gathers his responses to nearly two hundred invitations into print each an opportunity to make something beautiful to find within oneself a treasure that would otherwise remain buried Introductions reviews and humorous essays paragraphs on New York religion and lust here is more matter commissioned by an age that as the author remarks in his Preface calls for real stuff not for the obliquities and tenuousities of fiction Still the novelist s shaping hand his gift for telling detail can be detected in many of these literary considerations Books by Edith Wharton Dawn Powell John Cheever and Vladimir Nabokov are incisively treated as are biographies of Isaac Newton Abraham Lincoln Queen Elizabeth II and Helen Keller As George Steiner observed Updike writes with a solicitous almost tender intelligence The critic and the poet in him are at no odds with the novelist the same sharpness of apprehension bears on the object in each of Updike s modes

Shadow and Act Ralph Ellison,2011-06-01 With the same intellectual incisiveness and supple stylish prose he brought to his classic novel *Invisible Man* Ralph Ellison examines his antecedents and in so doing illuminates the literature music and culture of both black and white America His range is virtuosic encompassing Mark Twain and Richard Wright Mahalia Jackson and Charlie Parker *The Birth of a Nation* and the Dante esque landscape of Harlem the scene and symbol of the Negro s perpetual alienation in the land of his birth Throughout he gives us what amounts to an episodic autobiography that traces his formation as a writer as well as the genesis of *Invisible Man* On every page Ellison reveals his idiosyncratic and often contrarian brilliance his insistence on refuting both black and white stereotypes of what an African American writer should say or be The result is a book that continues to instruct delight and occasionally outrage readers thirty years after it was first published
