Hamel, the Obeah Man ,1827 **Literary Histories of the Early Anglophone Caribbean** Nicole N. Aljoe, Brycchan Carey, Thomas W. Krise, 2018-05-04 The Caribbean has traditionally been understood as a region that did not develop a significant native literary culture until the postcolonial period. Indeed, most literary histories of the Caribbean begin with the texts associated with the independence movements of the early twentieth century. However, as recent research has shown, although the printing press did not arrive in the Caribbean until 1718, the roots of Caribbean literary history predate its arrival. This collection contributes to this research by filling a significant gap in literary and historical knowledge with the first collection of essays specifically focused on the literatures of the early Caribbean before 1850. **The Caribbean and the Medical Imagination, 1764-1834** Emily Senior, 2018-04-26 During the eighteenth and nineteenth centuries, the Caribbean was known as the grave of Europeans. At the apex of British colonialism in the region between 1764 and 1834, the rapid spread of disease amongst colonist, enslaved, and indigenous populations made the Caribbean notorious as one of the deadliest places on earth. Drawing on historical accounts from physicians, surgeons, and travellers alongside literary works, Emily Senior traces the cultural impact of such widespread disease and death during the Romantic age of exploration and medical and scientific discovery. Focusing on new fields of knowledge such as dermatology, medical geography, and anatomy, Senior shows how literature was crucial to the development and circulation of new medical ideas and that the Caribbean, as the hub of empire, played a significant role in the changing disciplines and literary forms associated with the transition to modernity. **Creole Noise** Belinda Edmondson, 2022 *Creole Noise* is a history of Creole or dialect literature and performance in the English-speaking Caribbean from the late eighteenth century to the early twentieth century. By emphasizing multiracial origins, transnational influences, and musical performance alongside often violent historical events of the nineteenth century—slavery, Emancipation, the Morant Bay Rebellion, the era of blackface minstrelsy, indentureship, and immigration—it revises the common view that literary dialect in the Caribbean was a relatively modern twentieth-century phenomenon associated with regional anti-colonial or black-affirming nationalist projects. It explores both the lives and the literary texts of a number of early progenitors; among these, a number of pro-slavery white creoles as well as the first black author of literary dialect in the English-speaking Caribbean. *Creole Noise* features a number of fascinating historical characters among these: Henry Garland Murray, a black Jamaican journalist and lecturer; Michael McTurk, the white magistrate from British Guiana who, as Quow, authored one of the earliest books of dialect literature as well as blackface comedian and calypsonian; Sam Manning, who, along with Marcus Garvey's ex-wife Amy Ashwood Garvey, wrote a popular dialect play that traveled across the United States. In so doing, it reconstructs an earlier period of dialect literature usually isolated or dismissed from the cultural narrative as racist mimicry or merely political, not part of a continuum of artistic production in the Caribbean. **Hamel the Obeah Man** ,2008 Who are the melancholy-looking horseman and boy making their way to an abandoned settlement as night and a

tropical storm set in The boy and the horse are swept away and the stranger a European finds shelter in a cave where he finds disturbing signs of recent Obeah ceremonies Then he encounters the Obeah man himself the Hamel of the books title So begins a novel very much in the Gothic tradition its themes those of perverted faith lust for power and self aggrandizement sexual desire for an innocent and virtuous woman but set against the backdrop of slavery black rebellion and the rights of the white land owning classes of Jamaica American Globalization, 1492-1850 Bartolomé Yun-Casalilla, Ilaria Berti, Omar Svriz-Wucherer, 2021-06-28 Following a study on the world flows of American products during early globalization here the authors examine the reverse process By analyzing the imperial political economy the introduction adaptation and rejection of new food products in America as well as of other European Asian and African goods American Globalization 1492 1850 addresses the history of consumerism and material culture in the New World while also considering the perspective of the history of ecological globalization This book shows how these changes triggered the formation of mixed imagined communities as well as of local and regional markets that gradually became part of a global economy But it also highlights how these forces produced a multifaceted landscape full of contrasts and recognizes the plurality of the actors involved in cultural transfers in which trade persuasion and violence were entwined The result is a model of the rise of consumerism that is very different from the ones normally used to understand the European cases as well as a more nuanced vision of the effects of ecological imperialism which was moreover the base for the development of unsustainable capitalism still present today in Latin America Chapters 1 3 4 7 8 11 and 13 of this book are freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license available at <http://www.taylorfrancis.com>

Haiti and the Americas Carla Calargé, Raphael Dalleo, Luis Duno-Gottberg, Clevis Headley, 2013-04-23 Haiti has long played a significant role in global perception of the western hemisphere but ideas about Haiti often appear paradoxical Is it a land of tyranny and oppression or a beacon of freedom as site of the world's only successful slave revolution A bastion of devilish practices or a devoutly religious island Does its status as the second independent nation in the hemisphere give it special lessons to teach about postcolonialism or is its main lesson one of failure Haiti and the Americas brings together an interdisciplinary group of essays to examine the influence of Haiti throughout the hemisphere to contextualize the ways that Haiti has been represented over time and to look at Haiti's own cultural expressions in order to think about alternative ways of imagining its culture and history Thinking about Haiti requires breaking through a thick layer of stereotypes Haiti is often portrayed as the region's nadir of poverty of political dysfunction and of savagery Contemporary media coverage fits very easily into the narrative of Haiti as a dependent nation unable to govern or even fend for itself a site of lawlessness that's in need of more powerful neighbors to take control Essayists in Haiti and the Americas present a fuller picture developing approaches that can account for the complexity of Haitian history and culture African American Religious Cultures Anthony B. Narratives of Obeah in West Indian Literature Janelle Rodriques, 2019-04-05 This book explores representations of Obeah a name used in the English Creole speaking Caribbean to describe various African

derived syncretic Caribbean religious practices across a range of prose fictions published in the twentieth century by West Indian authors In the Caribbean and its diasporas Obeah often manifests in the casting of spells the administration of baths and potions of various oils herbs roots and powders and sometimes spirit possession for the purposes of protection revenge health and well being In most Caribbean territories the practice and practices that may resemble it remains illegal Narratives of Obeah in West Indian Literature analyses fiction that employs Obeah as a marker of the Black folk aesthetics that are now constitutive of West Indian literary and cultural production either in resistance to colonial ideology or in service of the same These texts foreground Obeah as a social and cultural logic both integral to and troublesome within the creation of such a thing as West Indian literature and culture at once a product of and a foil to Caribbean plantation societies This book explores the presentation of Obeah as an unruly narrative subject one that not only subverts but signifies a lasting Afro folk sensibility within colonial and postcolonial writing of the West Indies Narratives of Obeah in West Indian Literature will be of interest to scholars and students of Caribbean Literature Diaspora Studies and African and Caribbean religious studies it will also contribute to dialogues of spirituality in the wider Black Atlantic
