Harrison,2021-03-02 A first rate whodunnit set in the 1960s New York art world a time and place Helen Harrison has recreated with a page turning mix of history gossip and fun Bob Colacello author of *Holy Terror* Andy Warhol Close Up One artist One student One deadly mystery When Regionalist painter Thomas Hart Benton s corpse is discovered behind the easels of Manhattan s famed art school whispers in the art community say he had it coming As Benton s list of enemies lengthens to include the school s instructors Vietnam War protesters and members of Andy Warhol s entourage one art student is ultimately painted as the murderer The only problem the suspect has vanished Why would an art student murder Benton And if he were innocent why would he run When TJ Fitzgerald son of Detective Juanita Diaz and Captain Brian Fitzgerald of the NYPD discovers his classmate is the prime suspect he uses his own investigative skills to try and clear his name But as TJ and his girlfriend work to unravel the clues to the art mystery he begins to wonder if the police got it wrong and one secret may be the key to it all Helen Harrison s *An Artful Corpse* is a clever mystery sure to please art enthusiasts and armchair detectives alike Kurt Vonnegut Remembered Jim O'Loughlin,2019-03-26 A collection of reminiscences that illuminate the career and private life of the iconic author of *Slaughterhouse Five* Kurt Vonnegut 1922 2007 who began his writing career working for popular magazines held both literary aspirations and an attraction to genre fiction His conspicuous refusal to respect literary boundaries was part of what made him a countercultural icon in the 1960s and 1970s Vonnegut s personal life was marked in large part by public success and private turmoil Two turbulent marriages his sudden adoption of his late sister s four children and the equally sudden removal of one of those children and a mid eighties suicide attempt all signaled the extent of Vonnegut s inner troubles Yet he was a generous friend to many maintaining close correspondences throughout his life Kurt Vonnegut Remembered gathers reminiscences by those who knew him intimately and from those met him only once that span Vonnegut s entire life Among the anecdotes in this collection are remembrances from his immediate family reflections from

his comrades in World War II and tributes from writers he worked with in Iowa City and from those who knew him when he was young Editor Jim O Loughlin offers biographical notes on Vonnegut s relationship with each of these figures Since Vonnegut s death much has been written on his life and work but this new volume offers a more generous view of his life particularly his last years In O Loughlin s introduction to the volume he argues that we can locate and understand Vonnegut s best self through his public persona and that in his performance as the kind and humane figure that many of the speakers here knew him as Vonnegut became a better person than he ever felt himself to be Abstract Expressionism Joan M. Marter,2007 A collection of essays that discuss abstract expressionist art
