We all study these school subjects: math, English, science, music, P.E., art, and computer studies.

## Kid's Box reports

## Our School

a

Older students have to study more school subjects and take important exams.

b

We study a second language. We can choose French, German, or Spanish.

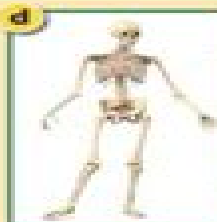

c

We use the dictionaries in the school library to help us understand new words.

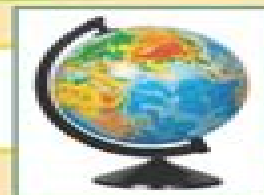

d

Science is an important subject, so we do it every day. This year we're learning about plants and the human body.

e

In our geography classes we learn about different people and their countries.

f

The best subject is history. We love learning about the past!

We all agree that the best thing about school right now is the new ezine competition. We all want to win that prize!
